Presidents Report:

I would like to kick off by sincerely thanking everyone at the club for their efforts this year. As I said at Senior Presentation night it is very easy to get caught up in things that are challenging & forget the numerous great things that the club has achieved.

On Field

This year, our on field performance was fantastic on many levels. Our Premier League Girls were very unlucky not to bring home the major trophy & should be extremely proud of their regular season dominance & being crowned minor premiers.

Our Men's Premier League had a challenging year with a range of factors early in the year impacting our performance, yet were still in contention for finals in a hotly contested competition right up to the final rounds. I have no doubt other premier league clubs in the top 4 were breathing a sigh of relief given our performance in September over the past few seasons.

A big thank you & congratulations to Marten de Man & Greg Pickford for their coaching efforts, ably supported by Bob Aldersea & Jono Doutré as their team managers.

Both of our Premier League reserves teams saw great improvement, our men winning the flag & our girls continuing to improve & develop our next crop of Premier League players. Thanks to Justin Hooper & Colin White for their efforts coaching these teams.

We enjoyed success with our Pennant B Men's & Women's teams both playing finals hockey, the girls coming very close to winning the flag. A big thanks to Courtney Jacklin & Jimmy Crowley for their coaching efforts.

Thanks to our remaining Pennant & Metro teams & all of the coaches, managers, supporters of these teams.

Congratulations also goes to our Masters section with our over 35's girls, Yesterday's Heroes & over 50 Men's both winning the flag. We also had our Over 35's A Grade & 45's B Grade both come very close to winning the flag. A massive congratulation to Andrew Adams & the 35's B team for entering a team for the first time & managing to compete admirably in strong Masters B Grade competition.

Our juniors had another great year as the club continues to grow our junior boys & junior girls numbers. It is great to see some of our original NDHL players playing prominent roles in some of the weekend junior teams. We had our Girls Under 12 & 14's Pennant teams both play in the finals & our Under 14 Mixed Pennant team also get through to a preliminary final.

Over the summer we will be reviewing our NDHL & Hook in Hockey strategies in line with changes being implemented by both Hockey Victoria & Hockey Australia to ensure we are well placed to offer a great product & continue to attract & retain new players to the club. To this point I sincerely thank the junior committee for their efforts this year & Ken Parkin, James Dunell & Erika Newbegin for their contribution with a host of others to run & drive the NDHL. Ken is so famous in our hockey community we even had a football club ask for the doyen Ken Parkin to run a hockey session for them in place of footy training!

I should not end the on field commentary without acknowledging all of our State Hockey Reps this year & acknowledging the club's first female Olympian Rachel Lynch. Those that know Rachel well, will know how unbelievably deserving of this honour she is. I would also like to acknowledge our three Men's Australian Representatives this year with Tim Cross returning to the National team & Casey Hammond & Josh Pollard making their debuts for the Kookaburra's.

Off Field

I want to take this opportunity to reiterate my thanks to many people. It is the efforts of these people (along with those I miss – Sorry!) that ensure our club ticks over & runs as it does.

Helen Mirecki, Ian Hooper, Jane & Peter O'Connell, Anne Ryder, Michael McLean. This team ensured we had amazing food each & every home game, not to mention on the JCC weekend where a minute did not pass without Helen & Ian being present & ensuring that GHC was the envy of all country teams competing in Melbourne on that weekend.

Stuart & Amy Young. Together Stu & Amy, supported by Deb & Sarah launched the club's first & subsequently second internal summer NDHL competition. I know for a fact there are 130 very grateful members benefiting from this work. Add to this their work on the supporter wear, ensuring we all look great, reinvigoration of sponsorship & more work behind the scenes that will be evident very soon!

Robert Kennedy was able to jump in at short notice & help with our book keeping & financial side of the club & along with Tim Hogan driving activity in this space across the junior club have ensured the club is in strong financial position.

Bob Crowley continued his strong work with the council & on the resurface project & we will all see the fruit of this exceptional work in the New Year. I know Bob will commend the work of others for the position we are in, but his ownership & dedication to this has ensured that council have supported us with such a significant loan guarantee.

Erin O'Connell & Michael Mirecki ably supported by Amy Heritage & the social committee, provide a wonderful year of events with an outstanding senior presentation night to round off the year. I know they want to see greater attendance of functions in the future, but I can't thank them enough for the work they have done & the way they go about it. I know every attendee of every event was very appreciative of their efforts.

Tegan de Man provided outstanding leadership for Hockey Operations & continues to set a direction for how hockey will move forward at Greensborough. Tegan had great support from her team, including Trent Wells, Michael Shade & Rod Kay amongst others.

There are many others I acknowledged on presentation night & in the interests of keeping this report at a readable size I will issue a general thanks. This year we had in excess of 150 volunteers contribute to the club in some way shape or form.

Finally, in the spirit of thanks on behalf of the entire club I would like to thank the Pursers & repeat the announcement made on presentation night to name the original field after the Purser Family. As I said on presentation night, the name is an acknowledgement of Rick Purser the club's founder, but more so an acknowledgement of significant amount of work undertaken by Greg & Debbie over the past 30+ years. To have had the opportunity to work side by side with Greg this year has really given me an appreciation of what Greg does for all of us & it is fitting that we all play on a ground named after the Purser family as they are so much of the reason we will enjoy this quality surface & associated facilities.

The Future:

I have said to many members in discussions, that I feel a level of guilt for the time that I am not able to give in my role. There are so many things that I thought were important & needed improvement, however there are so many that remain in the same position now as they were this time last year. With this said, a year of learning has been great, I have gained knowledge of what is critically important & what is in the category of nice to have.

I therefore convey these points for my future contribution to the club – I will invest time on three things in 2017:

1. Ensure that everyone enjoys their Hockey – All players get the “user experience” they are seeking
2. Ensure we are easy to do business with – Simplify the processes of joining, playing, purchasing uniforms, equipment, & volunteering
3. Continuing to grow the club & develop future talent – Improve the quality of coaching & development for all players

My thanks to everyone for 2016 & I look forward to bright 2017 at the Burra.

Matthew Trounce

Treasurers Report:

This year we transitioned to a new accounting package that simplifies a lot of the manual processes & provides better reporting. Unfortunately, after implementing this change, Adam Mirecki was unable to fulfil the requirements of the role & vacated the Treasures position in June. Under the circumstances Robert Kennedy (the club's previous Treasurer) was seconded to lead a finance sub-committee to complete membership & ground rental invoicing, pay overdue bills & balance the accounts.

In summary, we paid out the remaining \$215,000 loan on the Carpark ground & took out a new loan for \$530,000 to resurface the Yan Yean Rd ground with support from Nillumbik Council as guarantor.

It was no easy feat getting Nillumbik to support us, but our demonstrated ability to service loans over the last 17 years held us in good stead & Councillors voted unanimously (6 – 0) at their Aug-16 Council meeting.

Repayment of the new loan will need our full attention & support from all members (not just the committee) to help us increase revenue & keep costs down if we are also to keep membership fees from having to rise each year.

The Committee recognises that the Treasurers role is extremely important to the club, & we will be establishing a finance committee under the direction of the Treasurer, to ensure we are able to service loan, while putting away sufficient funds to replace the other playing surface in the next 10 years.

Note: The Financial Statement are not available yet pending completion of the Auditors Report.

- The following table shows a summary of some changes over the last 5 years:

Greg Purser – Secretary

Secretary Report:

This year we completed a number of activities to improve usability of our facility. I would like to thank all those who helped with the various jobs.

Clubrooms:

- General maintenance including cleaning & resealing the clubrooms roof
- Dealt with issues as a result of the 2 x break ins:
 - Re keyed the locks to Canteen & Hockey Shop
 - Replaced all of the fluorescent light fittings damaged by vandals
 - Unfortunately, the insurance would not cover the stolen Leaf blower & scoreboard so these are still to be replaced
- Co-ordinated repairs with Nillumbik Council:
 - Replacement of external doors damaged during the club house break in
 - Under slab plumbing repairs in the disabled toilets
 - Replacement of roof sheeting over the storage areas
 - Installation of new guttering around the courtyard
 - Removal of graffiti on the north side of GRN-1

Grounds:

- Completed the tendering process & commenced surface replacement of the Yan Yean Road ground
- Undertook lighting & scoreboard repairs on the Yan Yean Road ground
- Completed the annual surface cleaning & brushing of the playing surface on the Carpark Ground

Canteen:

- Thank you to Andrew Adams who helped prepare & run the canteen roster this year. The assistance was up on previous years with approximately 80% of members helping out at some stage, but we aim to make this 100% for 2017

Hockey Operations Report:

The main achievements for Hockey Operations in 2016:

- Exceeded our obligation under the HV umpire development policy
- Increased Junior participation in Seniors
- Hosted the Zone finals & Hockey 7's local & regional days for School Sports Victoria
- Hosted the Junior Country State Championships for Hockey Victoria
- Hosted 3 x nights of mid-week Vic League 1 games (under lights)
- Expanded the Northern Districts Hockey League from 6 to 8 teams with inclusion of Watsonia & St Helena for the Senior Summer competition

While the season has been extremely busy, there is still plenty of work to be done with HV to grow hockey in the Northern growth corridor. Therefore, If you would like to get involved with Hockey Operations please give me a call as there are always plenty of jobs to go around.

Senior Team Reports:

Men's Premier League 1:

SEASON OVERVIEW:

- 2016 season was a disappointing year, finishing 5th & missing the finals for the first time in a number of years
- However, with Josh Pollard, Casey Hammond selection in the Kookaburras & subsequent debut in New Zealand, along with Tim Cross recall into the Australian team the year has finished on a high note for the club
- With Luke Mackey stepping down for coordinating the preseason, Matt Vassie from VIS came on board to run the program. Building on the ever-increasing numbers each season the turn out included players from nearly all teams across the club
- The start of the season provided the team with a few challenges, but also opportunities. With Heath Simpson, Byron Walton taking up the opportunity to play in Holland Josh Pollard in England & injuries to a number of players. There was an opportunity for the younger players to challenge for spots
- Over the course for first half of the season the club had a number of Premier league debutantes; Matt Coen, Tom Woodman, Ryan Nagel, Ashley Bingle (gk). With Robbie Anderson & Brendon Ford finding their feet in the team
- However, across the season the team never found stability in the line-up. With the return of players met with injuries of another. As such, the team just never found its groove & was continually chasing games & the top four
- Even through this the team demonstrated on a number of occasions their willingness to compete across every minute of the game, with drawing to Camberwell 2-2 in the last minute, along with fighting back from 2-4 with 10mins to win 5-4 v MCC & from 0-2 to Footscray to win 3-2 in the last 7 mins

Overall, even though the team missed finals with the emergent of younger talent as seen in the debutant and the Premier league reserves premiership the club is in a strong position moving into the 2017 season and beyond

THANK YOU:

- To Bob Aldersea for managing team. Bob may not have had easiest year but his dedication to the group & the club is unmatched

- To the Club, board, parents, partners & family who supported us throughout the year
- To all the players for their commitment & dedication during the season, trainings were always well attended & with this dedication the team improved along with each individual

CONGRATULATIONS:

- Josh Pollard who won the Player’s Player & Best & Fairest awards
- Tim Cross, Casey Hammond & Josh Pollard selection in the Kookaburras team for Trans-Tasman games
- Gordon Zull with being the highest goal scorer with 30 goals
- Colin White for coaching the Premier League Reserves team to a premiership
- The 23 players who played in the team this year

Lastly, I would like to than the club for the opportunity to coach & look forward to the challenge of coaching premier league next season.

Women’s Premier League 1:

SEASON OVERVIEW:

Main Goals for 2016:

- Continue development of the younger players & enhance the pathway to PL
- Maintain & grow a positive culture in the Women’s section
- Continue to bridge the gap between PL & PLR
- Play a competitive style of hockey
- Recognise players reaching specific milestones
- Introducing a strength & conditioning coach for pre-season

Expectations:

- Senior players to take on mentoring roles
- Player commitment

Performance Summary:

Preseason started in mid Jan. This year we brought in a strength & conditioning coach, Daniel McIntyre. He challenged the girls & brought with it the desired results as fitness testing was conducted at the beginning, middle & end of the preseason.

All women players were invited & this year we averaged 40 players at each of the sessions with a mix of players from Premier League, Pennant, Metro & Masters. It was great to see all the girls interacting, competing & encouraging each other.

A survey I undertook with all players who attended pre-season training resulted in positive feedback about the format & beneficial to the group. There are a couple of changes I will make to the pre-season to keep it fresh & fun. Danial has also expressed keen interest in taking the training again which is planned to start in November for 6 week leading up to Christmas & recommencing in mid-January.

We had several younger players train with the main playing group throughout the year. This was to expose them to the change in training intensity, skill level & make them aware of requirements to play in Premier League.

This year we saw Fiona Bathie make her PL debut & play 12 x games. Others who performed well after being selected were Mel Houghton-Sims (19 games), Naomi Brasier (12 games) & Karina de Vries-Apted (4 games).

Lucy Kutrolli returned after battling injury for the last 2 years to play 9 games & participate in the finals.

We also had further improvement in Meagan Lendon, Morgan de Man & Georgia Logan. The most pleasing aspect is that 2 years ago they were all playing in the Reserves.

Casey Kingi, Fiona Bathie, Naomi Brasier, Karina de Vries-Apted, Sarah Young, Alice Johnston & Victoria Hogan all developed & improved their hockey this year.

Proof of this process was the pleasing result with our Reserves finishing 6th again this year & the Pennant B team finishing 4th before playing off in the Grand Final.

They are both playing a more structured & team orientated style of game & getting the rewards. Congratulations to Justin & Courtney for their contribution to the team's successes.

My focus this year was to carry on the mentoring programme & development of the younger players. I encouraged them to speak with the senior players, ask questions & be open to the feedback they receive. We also saw a return of Thursday night dinners that was organised by Steph Doutre & Alana McQueen for the PL teams.

While we started the season without any expectations, we were on top of the ladder after 10 rounds. This came about as the playing group united & grew as a group. I believe we were hard to beat as they played as a team rather than individuals.

Mid-season, I set a goal to finish in the top 4 & play in the finals which we achieved.

Major Milestones:

- Top of the ladder at Round 11 (10 x Wins, 1 x Draw, 0 x Loss, For 31, Ag 11)
- Top of the ladder at Round 22 (17 x Wins, 1 x Draw, 4 x Loss, For 63, Ag 24)

Achievements:

- Minor Premiers (Top of the ladder Round 22)
- Best defence (Goals against) – 2.8 per game compared to 2.2 in 2015
- Third best attack (Goals for) – 1.2 per game compared to 1.3 in 2015
- Runners up after the Grand Final

Player Recognition:

We started the season well & I attribute this to the players commitment & belief in themselves as well as each other. Their commitment to give 100% was commendable & their desire to win was outstanding.

Representatives:

- Rachel Lynch – Australian Olympic Team & Victoria Vipers
- Nicola Hammond – Victoria Vipers & VIS scholarship
- Meagan Lendon – Victoria Futures Squad

Playing Milestones:

- Stephanie Riordan – 300 games
- Sara Kutrolli – 150 games
- Naomi Pickford – 100 games
- McKinley Ryder & Meagan Lendon – 50 games

Congratulations to Stephanie Doutre & Stephanie Riordan who were selected in the All Stars Team

Conclusion:

To finish as minor premiers & play in back to back Grand Finals is a terrific feat by the girls, unfortunately we have not won yet, but I can assure everyone that we gave it our all & left nothing in the tank. The two captains (Steph Doutre & Steph Riordan) always lead by example & set a great standard for the rest of the team. I am so proud of the playing group & how they go about their hockey.

I would like to thank the club for the opportunity to coach this team & the support provided throughout the year & particularly Tegan for her assistance & appreciate the time & effort she puts in with the other work she needs to juggle. Thank you to Jonno for his work as manager, the support provided on match days is much appreciated by the whole team.

Lastly, I would like to thank Justin for his support again this year. I really enjoy coaching with you & we make a great team. The amount of work you do behind the scenes with Courtney trying to develop our next generation of players is outstanding & the club is in good hands with the work you are doing.

Finally, I would like to thank all the WPL players for making this year so successful & enjoyable.

Greg Pickford – Coach

Men's Premier League Reserves:

SEASON OVERVIEW:

This year was obviously quite successful. We started a little slow in the way in which we wanted to play, we probably did not get to that point until around round 15. With a good core of experienced players, Drew Anthony, Jordan Cowley, Brett Kennedy & Paul Kennedy we were quite strong across all lines.

The younger brigade coming through provided the team with great drive & showed they could stand up around the leadership given from the senior guys. Having the opportunity to give consistent game time to players such as Michael Cohen, Matthew Cohen, Nick O'Connell, Ryan Nangle & Max Ferrier, saw them improve the game awareness as well as contribute to the team's success.

Obviously being able to have the quality of players such as Daniel Mirecki, Michael Mirecki, Tom Woodman & Tyler Cowley come through the team made all players lift & play better, having said that I would like to thank these guys for coming back & playing in the reserves & putting club success ahead of any singular thoughts.

I would like to thank a couple of guys that put their hand up when asked with no questions asked & always played well no matter the circumstances. The first is James Woodman, his endeavor & ability to pay across several grades saw us ask him several times to double up & perform at a high level each & every time. The other is James Bryant, when asked to step into the net for several games due to absences & injuries he played extremely well against tough opposition & always without hesitation.

Lastly it was pleasing to be able to give exposure to such younger players such as Jordan Mulvaney, Matthew Lendon, Glen Jones, & Jonathon Cross whom all played better the more exposure they received.

I would like to thank the club for giving me the opportunity to coach the reserves. It was an honor to be considered to be asked to undertake this roll & a very rewarding experience to not only coach some of the club's great hockey player but also to see the progression in skill & work rate of the younger player's.

THANK YOU'S

- Karyn Cohen who fulfilled the roll of team manager & did an outstanding job after being thrown in at the deep end. Her support made coaching so much easier
- Jarryd Purser who gave his time whenever possible to provide a second & well educated set of eyes across the team. His input & support contributed to the reserves successful season.

Women's Premier League Reserves:

SEASON OVERVIEW:

This year was the most successful year since the inception of the premier league system for the woman's reserves. We won 10 games, 3 draw & 9 losses finishing 6th. The major improvement on last year was the ability to move the ball quicker, making better decisions more frequently & control the game at our own will defensively & offensively. We were in the contest, with the possibility of winning the majority of our losses with only 2 games where we loss by more than 3 goals which is a massive improvement with the WPLR.

Our biggest accomplishment this year was the win against MCC in round 11. Over the past 4 years MCC has convincingly beaten us throughout the journey especially in round 1 where they won 7-0, for a game where we defended for 35mins in the first half & didn't concede a goal. The goals went out after half time with a sense of belief & created 2 turnovers within the first 6mins of the 2nd half to convert 2 goals. It showed the hard work & focus of the year being defensive pressure beginning to pay off. We held off a late finishing MCC to win 3-2 to record our first win against MCC in 4 years. It was a game where the group showed a level of maturity on the field that hasn't been seen before. The standout performance was from Karina in goals, she is the sole reason we went into half time nil all. I'm looking forward to watching you progress into a WPL GK & becoming an even more outstanding lady.

I'd like to welcome the girls who joined GHC this year with Alison Britt & Alice Johnston who were a pleasure to watch & coach & I hope the girls made you feel welcome.

We had a number of debutants this year they were Jasmine Jovenski, Sally Collins, Sarah Hankinson & Emma Hyatt. I hope you enjoyed your experiences, you continue to improve & have a long lasting career past the WPLR side!

CONGRATULATIONS:

- Mel Houton Sims & Lucy Kutrolli for being part of the WPL finals campaign
- Naomi Brasier, Fiona Bathie, Karina De Vries Apted & Sarah Young for playing numerous games in WPL & I hope that the 5 of you continue to improve
- Chayla Reeves & Megan Bellman for establishing yourselves as WPLR players in your first full year
- Casey Kingi in her 2nd year in WPLR where you improved further than expectations & I look forward to watching all three of you begin your careers in WPL in the not to distant future
- Alice Johnston for winning best & fairest by a comprehensive margin. You were a rock in the midfield in attack & defense. It was a pleasure coaching you this year, I know the girls enjoyed every minute with you & I look forwards to watching you progress to WPL in the future

THANK YOU:

- Ann Ryder & Erin O'Connell for helping with team manager duties when possible. It's a pleasure having both of you on the bench
- To the two captains Lucy & Ellen who were rocks within the team. Every single girl looked up to you two & you were one of the large reasons for our team being so positive & united as one
- Belinda Day in helping the WPB side throughout the year & being a monumental part in the WPB finals campaign
- Tegan, Micahl & Bel for not only helping the captains with unity within the side & with coaching the girls on the field. We as a team really appreciate your input throughout the year
- Greg, Courtney & Cuz for Thursday night beers & the continued support helping myself become a better coach for the WPLR side & giving a fresh perspective on the group

I look forward to continuing coaching the WPLR side in 2017 & coaching the next generation of Burra girls come through the grades.

Men's Pennant A:

SEASON OVERVIEW:

We had a reasonable season with strong performances against the top teams but some mediocre performances against teams in the bottom half of the competition. This was emphasised by a win & draw against the 1st & 2nd teams leading up to the finals before losses to 8th & 9th teams that cost us spot in the finals.

CONGRATULATIONS:

- James Woodman who won the Best & Fairest
- Jarryd Purser who topped the Goal Scoring & helped with the team coaching
- Nick Hill for his selection in the Australian 40+ team
- All the players who played in the team this year

Craig Armstrong	Adam Eley	Dean Kingi	Nick O'Connell	Phineas Tupper-Creed
James Bryant	Cody Hassing	Tony Lander	Jarryd Purser	Peter Vivian-Taylor
Will Creed	Nick Hill	Mat Lendon	Tremayne Ryder	Jamie Williamson
Jonathan Cross	Nathan Hooper	David Mossop	Adam Spatharis	Tom Woodman
Nicolaas de Man	Glen Jones	Jordan Mulvaney	Mark Thompson	James Woodman
Sam Doutre	Leigh Jones	Sam Northey	Mat Trounce	Louis Zorzanello

Thank you for the opportunity to coach & I look forward to going one step closer to a Premiership next year.

Craig Armstrong – Coach

Men's Pennant B:

SEASON OVERVIEW:

A very successful year with the team finishing the year as Minor Premiers in a very tight competition. 1st, 2nd & 3rd where separated by a point each for the last couple of rounds. We lost to the eventual premiers, Essendon, in the Preliminary Final in front of a strong turnout of supporters at Home.

Very pleasing to see the growth & opportunities for some of younger & new players this year. James Bryant played 5 games in reserves & really stood up when the club needed him to. Phineas Tupper-Creed was a new addition to the club this year & became a stronger & more impactful playing on a weekly basis. Louis Zorzanello was another of the younger players who is going from strength to strength having enjoyed some time playing in PA this year. Dean Kingi was one of the team's most consistent players this year, who didn't miss a single match, & has grown in his skill & decision making on the field.

On a whole the team communicated well together with the senior more experienced players taking the time to help instruct the younger players & this has contributed to a strong playing group.

We finished 1st on the ladder with 13 wins, 3 losses, 2 draws, +35 GD & 41 pts.

THANK YOU:

- Jim Crowley for coming on board & helping coaching the team on game days
- All the players for their commitment & dedication during the season
- Colin White & the assistant coaches for their work throughout the year organising & running training sessions

CONGRATULATIONS:

- James Bryant who won the best & fairest, narrowly beating out Will Creed & Peter Vivian-Taylor
- Nic De Man who was top goal scorer & Peter Vivian-Taylor who was also in the top 5 for the competition
- All the players who played in Pennant B this season

The Team & I look forward to improving on this year by at least one more match & continue to assist in developing the depth of our club.

I look forward to coaching next year & will see you all at preseason training session

Trent Wells – Captain

Women's Pennant B:

SEASON OVERVIEW:

Pennant B had an extremely successful year with a grand final appearance against Melbourne University and taking the game to shout-outs, unfortunately they were unable to get the win, but the girls played a great competitive game and should be very proud of themselves.

The girls improved throughout the year playing their best hockey late in the season. We had spent most of the time positioned around the middle of the ladder and only getting into the top four for the first time in round 18. They certainly made the most of their opportunities by playing their best hockey at finals time and beating both Camberwell and MCC in the finals.

The commitment, determination and hard work from the girls throughout the year really paid off. Attendance at training was always high and many players showed great development in skills as well as maturing as players. There was tremendous improvement over the season in the way the team played. There were 5 new girls included in the team and they were welcomed and supported by the group. The team chemistry was clearly evident. This made me very proud as a coach.

Georgina and Jazz shared the role of captain. They both grew in the role and their leadership skills developed well. The Best and Fairest medal was awarded to Jazz in a closely fought race that could easily have been won by any of one of 4 or 5 players.

I would like to thank Tim Hogan for his team manager role. On game day he made my day much easier and kept me in check when required.

The team really appreciated and would like to thank the large number of Greensborough people who attended our finals games including our grand final at Doncaster, the support was evident and greatly appreciated.

Pennant B should not be disappointed by losing the GF, they should be remarkably proud of all their achievements in 2016. I would like to thank all the girls – they made the job of coaching a pleasure with their attitude, commitment and determination. They showed respect for each other and it's great to be able to coach a group of girls that got

along as well as they did.

Courtney Jacklin – Coach

Men's Pennant D:

Women's Pennant E:

SEASON OVERVIEW:

This team has had a great season finishing 6th despite not having a regular coach & sometimes struggling for players. It provided a stepping stone for our Juniors to experience their first season of Seniors.

We had two strong wins against Knox (10-1) & KBH (7-0)

THANKYOU:

- Justin Hooper & Courtney Jacklin who attended games when their schedules allowed & provided valuable coaching advice
- The PB & MB players who filled in when we were short of players. This sometimes involved a lot of driving between venues
- Tony Bartholomeusz who became the teams umpires when his daughters played

I would also like to thank the following 47 x players who played in the team this year:

Alyssa Azrein, Tara Barclay, Bec Bartel, Amelia Bartholomeusz, Emma Bartholomeusz, Lily Bartholomeusz, Michaela Bucknell, Cressida Byrne, Jessica Black, Carol Brewster, Kate Collins, Sally Collins, Carlie Day, Jemilla Day, Karina de Vries-Apted, Rosanna Forbes, Emily Hankinson, Sarah Hankinson, Cecily Hendrickson, Frith Hunt, Emma Hyatt, Courtney Jacklin, Sara Jones, Jasmine Josevski, Emily Kandell, Natasha Lane, Erin Lardner, Kerrie McKay, Indigo McKinnon, Amanda Mai, Lacey Martin, Jemma Neal, Georgia Newbegin, Amy Norman, Lauren Parkinson, Marissa Parkinson, Lydia Phelan, Bridget Pilatti, Jess Riley, Carol Schilling-Collins, Hannah Scoberg, Karen Simmons, Jess Stepanavicius, Alex Tresize, Georgina White, Hailee White, Darcy Williams

Men's Metro A:

SEASON OVERVIEW:

After playing the previous year in the bottom grade, we decided to push the team & develop our younger players by playing up a grade.

Approaching the half way mark of the season with only a solitary draw & many losses, I have to admit that I was wondering whether we had made the right decision. We were coming up against reasonably skilled teams & several units that were definitely playing too low in the Metro competition.

The turning point probably came after the more junior members of our team had been away playing for the Red Devils & had many intensive training sessions as well as game time.

We came up against our perennial nemesis, Old Carey, who had beaten us 6-1 in the opening round of the season. The odds were stacked against us. We were playing at Koonung, without a goal keeper for the first 20 minutes & with

an umpire who admitted that he was finding it difficult to see the ball. We won 1-0. The usually physical game of Old Carey disintegrated when our younger players out ran them & made them look slow. We also beat them later in the season 5-3.

We climbed off the bottom of the ladder & in the end missed the finals by a game & a half.

With our full squad we were competitive against the other teams & came from behind at half time two weeks in a row.

I would expect to lose the majority of our younger players to pennant teams next year & will be looking to recruit a new batch of players from amongst our current Under 16s.

THANK YOU:

- Shane Martin for umpiring for us this year. It's sometimes difficult to find an umpire for the Metro grades & having a regular one reduces the stress levels on Managers.
- All the regular players who played this year & also give a big thanks to all the players who assisted us on an irregular basis. If it wasn't for those players, we would have played short in many games this year.
- Andrew Adams who manages the Metro B team & we had a conversation each week to ensure that both teams were filled & had several inter-changes as well.
- All our supporters during the year especially the parents of our junior players.

Congratulations to Alex Pozzebon who was our Best & Fairest player by a narrow margin from Wes Martin, our goal keeper. As with a number of our Juniors, Alex took his game to a higher level this year. Wes had his best season in the net in a grade where he was required to make more saves than usual.

I look forward to playing & managing in the Metro grades next year.

Ian Ludwick - Captain

Women's Metro A:

SEASON OVERVIEW:

With our trusty full back & goalie sidelined growing babies & several regulars taking a break we started the season a week out from the first game with 6 players. Thanks to some excellent recruitment & the return of a couple of original members we somehow managed to scrape a team together week in week out. Not always a full team but a team nonetheless. Over the season we had 30 different girls play including several juniors, one of who became a very welcome permanent fixture & one who was just 10 years old! Despite all the challenges we finished the season in 5th position with 6 losses, 1 forfeit, 3 draws & 8 wins.

As most of you know we are a social community team, the majority of who didn't grow up playing hockey but we pride ourselves on having built up a fun, friendly, cohesive environment that gives everyone a go & encourages juniors to participate. We would like to say a huge thank you to the club for supporting our team along the journey, we strive to be active members & contribute in any way we can on & off the field & look forward to hopefully bringing home a premiership in the not so distant future.

THANK YOU:

I would like to acknowledge the following people for their help throughout the season:

- Amy Heritage & Emily Holmes for stepping in & coaching while they couldn't take the field
- Rose Forbes who when injured half way through the season still came to games & helped with the management of the team
- Michelle Van Beek for putting on the goalie pads when needed & smashing it in the process

CONGRATULATIONS:

- Best & Fairest – Hailee White & Jennie Zull
- Players Player – Hannah Davies

We look forward to a fantastic 2017, working towards a finals appearance once again & hopefully bringing home that flag!

Jennie Zull - Captain

Men's Metro B:

SEASON OVERVIEW:

For the second year we were the diversity team with men & women as well as juniors & masters regularly playing for the team. The team was very stable from last year with Craig Cartwright the only new regular player. This gave us an early advantage in teamwork compared to some of the other teams.

While we played well in the early part of the season we struggled to score goals. The real turning point was our second game against La Trobe University where we scored 6 goals. From that game onwards we were able to make the most out of our scoring opportunities.

One of the most significant improvements for the team was our determination in close games. In previous years we tended to lose close games while this season we were able to hang on for the win. The best example was the last game of the season where the opposition had more than twice as many shots on goal as we did but we still managed to win the game.

The goal of the year was in our first game against KBH Brumbies. Caleb & Lacey teamed up with several 1-2 plays to cut out 3 defenders & put Caleb just inside the circle for an amazing shot on goal. This gave us a 1 goal win against one of the top 4 teams. The runner up was the last goal of the season scored by Lacey which was setup by Lari. This led to another 1 goal win & moved us up to 5th on the competition ladder. It was great to see the ladies teaming up to finish off the season.

THANK YOU:

- Greg Purser for umpiring at short notice when there were no rostered umpires
- All of the players who filled in at short notice to ensure that our team had enough players
- To the parents, partners & families who supported us throughout the year
- All the players for their commitment & dedication during the season

CONGRATULATIONS:

- Caleb Jephcott who was the highest goal scorer for the team again this year with 17 goals
- Andrew Masson who won the best & fairest award for the team
- To the 38 players who played in Metro A during the season

Men's Masters 45+B:

SEASON OVERVIEW:

This year the Masters 45B team made the decision to move down from 45A to the 45B competition after a challenging year in 2015. This decision paid-off as we played very good hockey throughout the season, especially given that we were without some of our key players for much of the first half of the year – notably, Michael Shade, Stephen Cresp, Dean Elliott, Kevin McLaughlin & Darren Turl. We even had one game against Brunswick where we could only field 9 players, one of only 3 losses during the home & away season. Even though we went down 3-1 in that particular game, we still came away encouraged that we could be a strong contender in this competition, which turned out to be correct. By round 4 we started to see some of our players returning & by round 7 we had returned to full strength. By round 9 we lost Jeff John in goals due to travel & then injury; we were very fortunate to have Gil Doutré fill the gap for the next 7 rounds. Gil did a tremendous job, & without him in goals for those weeks some of the results may not have been as favourable for us. We were very grateful for the availability & great performance in goals Gil gave us.

Mid-season we were also pleased to have Stephen Cresp re-join the team as he added some much-needed run through the centre, which helped create many scoring opportunities, which Tony Bartholomeusz & Rick Macellari managed to capitalise on a number of times. We also lost Stuart Young on-and-off throughout the second half of the season with knee injuries.

Colin White joined the ranks of the over 45's this year & provided a great amount of strength & support to the backline but a strong voice to the rest of the team during the games. His feedback was very valuable. Matt Rees joined our side this year as well & provided a constant source of running & chasing in every game. He also managed to pick up a couple of goals for the season which was very pleasing to see. Barry Collins helped out on a number of occasions from the 50's & had a number of good games.

Overall, we had a very consistent season with different players having good games on different weeks. This took the pressure off the team as a whole as it meant we weren't dependant on any one or two players to carry us through. We managed a couple of 5-goal wins through the season & draws with the top teams, Brunswick & Yarra Valley.

Our top goal-scorer for the season was Rick Macellari, with 9 goals, closely followed by Stephen Cresp & Darren Turl, each with 7 goals.

At the end of the home & away season, we finished second on the ladder & faced-off against Brunswick at Brunswick. It was disappointing that this game was marred with some incidents involving the umpires & to make matters worse, we lost that game, throwing us to an elimination final the following week against Yarra Valley. The Yarra Valley game was a tightly-fought game with the scores level at 0-0 at the end of the game, bringing in the penalty shoot-out rule. After some close calls, we managed to win 4-3 & progress to the Grand Final for another tilt at the Premiership. The Grand Final was a tough-fought game & we were in it until early in the second half, when we lost our grip on the game, eventually going down 2-1. We all gave it everything we had & on this occasion couldn't produce the magic which we had managed throughout the season.

Overall, it was a very good season for the team & the loss in the Grand Final only strengthens our determination to go one better next season.

THANK YOU:

- I would like to thank Michael Shade & Stuart Young for their help & support throughout the year. Being new to the role of Team Manager meant that I had plenty of questions & also needed someone to "bounce-off" with different situations that popped up throughout the season. Michael & Stuart's support meant a lot to me.
- Thank you to all of the players who made this team what it is – it's a real pleasure playing in such a side.

CONGRATULATIONS:

- I would like to congratulate Rick Macellari on being the highest goal scorer for the year, with 9 goals.
- While we do not have an official "Best & Fairest", we could count almost every player in the team as best player, as everyone provided consistent efforts throughout the year & given the fact we made it to the Grand Final, it would be unfair to single-out any one particular player as the most outstanding player.
- Congratulations to all the players who contributed to our success during the season

Tony Bartholomeusz	Stephen Cresp	Jeff John	Matthew Rees	Steven Van Meeuwen
Peter Boylen	Gil Doutré	Rick Macellari	Michael Shade	Colin White
Craig Cartwright	Dean Elliott	Kevin McLaughlin	David Spiden	Stuart Young
Barry Collins	James Glover	Paul McLaughlin	Darren Turl	

I look forward to coming together with this team again in 2017

Women's Masters 35+A (Yesterday's Hero's):

SEASON OVERVIEW:

This season we were back in B grade where we belong. We had a very successful year finishing 2nd in the home & away season. We had a 6 losses for the season and on a couple of those occasions, the team was definitely not on its game. The competition was pretty even throughout the season.

We played off in the first final against Geelong and won in the final minute, which put us directly into the Grand Final. The Grand Final we played Brunswick which was a well fought game. We ended up winning that 5-1.

On a personal note, I would like to thank Yesterday's Heroes and also the Greensborough Hockey Club for their support over the many years of playing and being actively involved in the Club. I decided it was time to retire, so hung up the boots after our premiership.

THANK YOU:

- To all the players this year for a rewarding season
- Stotty for her coaching and direction on the field
- Ann-Maree Colborne, who when available (90% of the time) would complete all the paper work after the game
- To Heather Walker who was our support crew

CONGRATULATIONS:

- To our Best & Fairest winner – Marissa Parkinson
- Special congratulations to both Marissa Parkinson & Naomi Pickford for representing Victoria in the Over 35's (finishing 2nd in their competition)
- To Naomi Pickford on her selection in the Australian Over 35's team – fantastic effort
- Congratulations to the following players who represented the team this year

Men's Masters 35B:

SEASON OVERVIEW:

This is the first year that Greensborough has fielded a second Mens Masters 35+ team. Last year we investigated running a second team the previous season but we didn't quite have enough players to make up a team. Unfortunately, we still didn't quite have enough players so we frequently had to play with only 10. It was a running joke in the team that our regulation number of players was 10. There were actually some opposition teams where we had a better results against them when we only had 10 players than when we had 11. Fortunately we were assisted by the other Masters teams who donated players to us so that we were able to field full teams in the later part of the season.

Originally we were entered in the C division but due to the low number of teams entered in the B division Hockey Victoria decided to merge the B & C divisions. This presented a significant challenge for a new team as some of the opposition teams were of a much higher standard than we had expected. We spent the season struggling to deal with As the season progressed our teamwork significantly improved & we able to put together a more coordinated opposition. The work that was done this year should be a good basis for a more successful 2017 season.

The highlight of the year was our only win of the season against La Trobe Red team. Fortunately Paul McLaughlin decided to arrive early for his 45+ game & agreed to help us make up the numbers. He ended up scoring one goal & setting up another for a 3-1 win. The biggest disappointment was when we lead for most of our first game against Brunswick only for them to draw level near the end of the game.

The hero run of the year was by Stuart Armitage who showed us the meaning of haste while chasing a ball down the sideline (I though he was supposed to be injured). The stack of the year was also from Stuart immediately after his hero run when he couldn't stop & ended up crashing into the fence.

THANK YOU:

- Stephen Van Meeuwen & Ben Hopkins for umpiring a game when the rostered umpires were not available
- All of the players who filled in at short notice to ensure that our team had enough players
- The parents, partners & families who supported us throughout the year
- To the players for their commitment & dedication during the season

CONGRATULATIONS:

- Chris Kyriacou & Stewart Kerr who were the joint highest goal scorers for the team with 2 goals each
- Stewart Kerr who was the winner of the best & fairest for the team
- To the 29 players who played in Masters 35+B during the season

Stuart Armitage	Ross Connor	James Glover	Sam Mahoney	Rajat Sharma
Nick Atherden	Marten de Man	Adrian Grant	Shane Martin	Rob Thompson

Mixed U18 Pennant:

SEASON OVERVIEW

2016 was an up & down season for the team finishing 5th with 9 x Wins, 4 x Losses & 1 x draw. The plan was to have 2 x mixed U18 teams, but while we never had enough players for two sides, we had more than enough for one. This meant we had to roster about 8 players off each week & even then, there were other weeks where people couldn't play through injury, work or other commitments. This meant not everyone played the same number of games but with anywhere between 8-10 players out each week it made it quite difficult at selection each week.

Training started 6 weeks before the seasons start & was generally well attended although not quite enough for two teams.

The results throughout the season were a mixed bag we generally beat the top sides but then lost to the bottom ranked sides, but by the end of the season there was a vast improvement by most players across the board throughout the squad.

CONGRATULATIONS:

- To our B&F winner Alex Pozzobon (B&F), &
- To Caillen Pyke & Emma Hyatt who were joint winners of the Coaches Award. Both players showed big improvement throughout the season & put in 100% each time they played

THANK YOU:

- To Michael Coen for assisting with the Coaching. We had a good time & couldn't have asked for a better person to coach with
- To Team Manager David Reade who did an outstanding job all season getting everything organised by match day & just making myself & Michaels job a lot easier.

Finally, I want to wish the players all the best in the future; it was a pleasure to coach you all, you were a great bunch of kids who took on board most things conveyed across.

We wish you all the best of luck in your future hockey endeavours

Girls U16A:

SEASON OVERVIEW:

The challenge of playing in the A grade competition was met with excitement but also uncertainty as they had not played in A grade since the U14's 3 years ago.

The beginning of the season was promising with a 2-3 loss to Gippsland Bulls & a 3-4 loss to Southern United. Our ability to compete with these teams gave us the confidence to beat Gippsland Bulls 4-0 when we played later in the season. This game would be the highlight of the season as it was our only win & Hailee White scored a hat-trick. Another positive of the season would be the improvement in our defence. As we were playing against teams of such high standard, with many opposition teams having girls who played premier league, our defence was forced to match the skill & speed of their opponents. A special mention to Karina De Vries-Apted who was the backbone of our defence.

Unfortunately, we could not sustain this level of competitiveness as most games we were short of players & in round 11 we were unable to field a team & had to forfeit. Although the season was beneficial for many of the u16 girls, for others the shield competition was beyond their skill level & therefore less enjoyable. This was disappointing see & really highlights the importance of juniors playing seniors to develop their skills.

THANK YOU:

- Paul Kingi for managing the u16 girls this year. Filling the team each week proved to be a difficult task but Paul did his very best & was even able to bring back Sidney Armstrong for a couple of games
- The parents who travelled the long distances & were there to support the girls through thick & thin
- Ashlyn Reeves & Amelia Bartholomeusz who were very much a part of the team & filled in as often they could

CONGRATULATIONS:

- Casey Kingi for winning the best & fairest for the second year in a row
- Briony Dixon for receiving the coaches' award

Mixed U14 District:

SEASON OVERVIEW:

This was a tough year as the club did not have enough U14 players to field 2 full teams. For the first couple of training sessions there were only 5 or 6 players.

We were able to conduct viable training sessions thanks to the U12 players Mitch Henderson attending all year, Finn Dalton at the start of the year & a very young Aidan Carmody at various times during the year.

We did pick up players as the year proceeded & with the help of regular & fill in U12 players, managed to field 11 or more players for most games.

In all, 24 different players played during the season. We had a core group of 9 x U14 players & 2 x U12 players (Mitch Henderson & Will Mulroy). That ensured 11 players for most games.

Results varied greatly depending on who was available ranging from wins & draws against the 3rd, 4th & 5th teams to large losses.

The season commenced with a 0-10 loss to Yarra, but in the next 2 return games we won 2-1 & had a narrow 1-2 loss.

Waverley was the only to beat us comfortably each time & they were undefeated finishing on top of the ladder.

I was proud that the players held their heads up all year & never gave in.

Before our last game I asked the players to give me one word to sum up the season & their replies were effort, success, participation, improvement, failures, fun & teamwork. After that game some of the players asked whether we could keep training so I said yes.

HIGHLIGHTS:

- Win against Latrobe who was on top at that stage
- Win against Yarra who previously beat up 0-10
- The never say die performance of the team after we couldn't play the U12 Shield players

TEAM LEADERS:

- The team voted for the team leaders & they both did a fine job. They ran the warm up & made decisions on the ground
- Captain Ben Pearce led by example & gave his all when competing for the ball. Vice-Captain Jay Scott also earned the respect of the team & kept them in line when we needed him to

THANK YOU:

- To the players who filled in Mitch Henderson, Will Mulroy, Jeremy Allen, Scott Boylen, Elliot Bryant, Liam Craigie, Finn Dalton, James Dunn, A J Eastman, Alex Free, Robert Hogan, Ned Polidano, James Summerton, Deakin Trounce & Harrison Trounce
- Duncan Bucknell who managed the team
- Matthew Henderson for helping with injuries when they occurred
- Michelle Henderson & Rachel Dunn who washed the training bibs each week
- Danialle Craigie who co-ordinated the 3 x teams
- Erika Newbegin for her support all year

CONGRATULATIONS:

- Best & Fairest - Arjun Ety
- Coaches Award – It's impossible to keep every player happy as the all want to play as a forward & score goals. While others are happy to play specific roles others are sked to play there against their wishes. However, players who are prepared to step into a role without question are an immense value to the team. While ythe award could have gone to several players the following players received the award this year:
 - Daniel Bailey – A new player who regularly attended training & was given a number of different roles during the year. While he found this daunting he played to instruction, was keen to learn & showed great improvement
 - Ty Quix – Tried extremely hard each week, played to instruction & saw playing in several different positions as a challenge rather than a hassle

Girls U14 Pennant:

SEASON OVERVIEW:

We started the season with 9 committed girls, & slowly but surely we picked up 3 more additions to the team, in Imogen Bell, Lily Colley & Juliette Lemmolo. The first round saw us out at Dandenong hockey field; where we lost 1-0 to the soon to be 3rd on the ladder, who we later beat in the first final. In round 6 we lost 3-1 to KBH, who we later beat 2-0 to secure our spot in the final four. There are many stories like these to go along with the girl's brilliant season. The 2016 season shows how the girls grew as people & as players.

Many times throughout the season we were forced to play girls in positions they have never played before. The players never complained & always rose to the occasion. This is a testament to their grand final performance, in which Amelia went down with a head injury in the first 10 minutes. The girls were thrown out of position & performed admirably.

The girls should be very proud of themselves & the season they put together.

THANK YOU:

- Anita, our team manager, for her fabulous support & effort throughout the season.
- The parents who provided support & encouragement throughout the year.

- All the kids, who without their effort, none of this would have been possible.
- Lilly & Emma Bartholomeusz from U12s, who helped us fill the team on many occasions & did an excellent job.
- And everyone who helped us in our coaching role throughout the year.

CONGRATULATIONS:

- Best & Fairest – Amelia Bartholomeusz
- Coaches Award – Te'leah Davis
- Players selected in Red Devils – Amelia Bartholomeusz, Jess Stepanavicius & Emer Rafferty

We would like to thank Greensborough for the opportunity to coach this year, whilst it has been challenging in some respects, we have learnt & grown hugely as people & hockey players.

We look forward to the opportunity of coaching next year!

Mixed U12A:

SEASON OVERVIEW:

This club is currently rebuilding in this age group after dropping to a single team a couple of years ago. Since then we have built the numbers back up & this year played in the A grade competition again.

However, it was a difficult year in the top division but the players remained positive & showed great improvement as the year went on.

While there were only 5 other teams in the competition & we managed to have 2 draws, we did manage to draw at least one half of hockey in each game we played.

The team consisted of 3 first year players (A J Eastman, Mitchell Henderson & James Tyler), a second year player (Ben McBean) & an U10 player Joel Taylor, who also finished as our equal highest goal scorer.

All players except Mitch Henderson (Goal Keeper) played in more than 2 positions. Everyone tried extremely hard & never gave up.

This was evidenced by our second half each week being better than our first. While we created opportunities in every game we lacked the ability to consistently convert these into goals. All other teams had one or more players (with representative experience) who could do that. In several games that was the only difference.

HIGHLIGHTS:

- Our first goal of the year against Waverley
- A great second half against Camberwell where we were the better team
- A 0-0 draw with Kew who were the unbeaten top team
- Selection of Ashlyn Reeves in the VPSS team & Red Devils teams
- Selection of Finn Dalton in the Red Devils team

THANK YOU:

- Rachel Dunn who managed the team
- Matthew Henderson for attending to injuries
- Nigel Dalton for running the interchange
- Jeff Dunn for umpiring each week

TEAM LEADERS:

- The team voted for the team leaders & they both did a fine job. They ran the warm up & made decisions on the ground
- Captain Finn Dalton led by example & gave his all when competing for the ball. Vice-Captain Ashlyn Reeves who earned the respect of the team & her selection in the State Team is testament to that

CONGRATULATIONS:

- Best & Fairest – Finn Dalton who is a talented player who controlled the mid-field & set up many forward moves
- Coaches Award – Could have gone to several players who attended training every week. However, this year it was shared by Liam Craigie & Noah Miller:

- Liam Craigie – One of the younger players who played in several positions, always tried & never complained
- Noah Miller – Who also played in a number of positions & stepped in as Goal keeper when Mitch was unavailable

Mixed U12 Pennant NE:

SEASON OVERVIEW:

This year I was lucky enough to coach the Under 12's for a third year in a row, however it was the first year of coaching on my own. Our focus this year was to work together & have fun whilst playing the sport we all love. Each week everyone worked more cohesively together by encouraging each other & developing their skill sets. At most games through the year we had no interchange which the players preferred as it meant more time on the pitch. As players improved & developed a better grasp on the game, they started working together more which resulted in us coming away with more & more wins. Unfortunately, we only just missed out on making the finals rounds. Regardless of where we finished at the end of the season, I am so proud of the players & how they have developed by improving old skills & developing new ones. They have all created friendships this year that I'm sure will last through out their time at Greensborough.

THANK YOU:

- Ian Sommerton for Managing the team for the second year & always being organised
- Parents & families for supporting at games, cheering on & always being positive
- The players for being a great group of kids. You certainly made my role as coach enjoyable

CONGRATULATIONS:

- Best & Fairest – Lachlan Shinn-Mahoney
- Coaches Award – Ned Polidano & Jeremy Allan
- The following players who played in the team this year, Zayne Adams, Jeremy Allan, Alyssa Azrein, Aiden Borgeest, Charl Louwens, Zach Macveen-Wood, Ethan Maxfield, Logan Maxfield, Rylee Maxfield, William Mulroy, Ryder Plant, Ned Poldano, Lachlan Shinn-Mahony, James Sommerton, Deakin Trounce

Thanks to everyone for a fantastic season, I look forward to seeing you around the club.

Girls U12 Pennant:

SEASON OVERVIEW:

Firstly, thank you to the Club for entrusting Alana & myself to coach the first under 12 girls team. It was a privilege to take on the role.

The start of the season was a real challenge- trying to keep the girls interested at training while learning new skills. Sometimes it tested your patience! Game days were very different with most girls eager to do well & succeed. We always had a great attendance at training, which as the year progressed, made training in positional play easier. We could then put these plays into practice on game days. As the season progressed, the girls became good friends, trained well, & learnt the basic skills required to play a good brand of hockey. The numbers in the team grew to about 15, so interchange was a difficult proposition. However, overall the girls were very understanding when it came to interchanges & it gave players more opportunities to play rather than have a roster system where you didn't get the chance to play weekly.

We had a successful season finishing second. Playing in the finals was a great experience for all the girls. We won our first final against Brunswick & went on to play in the grand final against the same team. Unfortunately, the result was a draw so Brunswick was declared the Premiers. The girls were very thrilled to receive their runner-up medals which was very pleasing to see, however I was disappointed with the loss, despite the drawn result, believing we were by far the better side throughout the year. I hope the girls can all stick together & go on to bigger & better things next season.

I would sincerely like to thank all the amazing parents for their efforts over the year, & as a parent you should all be proud of your wonderful daughters. I would also like to thank Alana for her great input into the coaching. Alana is a great role model whom all the girls look up to. I hope senior players continue to be involved with the junior teams. I would also like to thank our wonderful team manager Emma Dickens for all her great work in organizing the team on a weekly basis.

Finally, congratulations to Alyssa Azrein for winning the Best & Fairest Award & Mychaela Bucknell for winning the Coaches' Award, both are well-deserved recipients.

Tony Bartholomeusz - Coach

Mixed U10 (Green):

SEASON OVERVIEW:

The U/10 Mixed team experienced a very successful season both on & off the field. The team consisted of an amazing group of boys who showed great sportsmanship, dedication & competitiveness but most importantly a willingness to have fun. Throughout the season the team showed growth in their individual skill set, understanding of the game & ability to work together as a team.

An example of this was our rivalry with ladder leaders Doncaster. In round 3 we journeyed to Doncaster after winning our first 2 games of the season & were sitting atop the ladder. On this day unfortunately things did not go our way & we suffered a heavy 7-1 defeat. To the boys credit they took the loss well & left with a desire to improve. In our subsequent games against Doncaster we had a draw & lost by only 1 goal which highlights the progress made throughout the year.

Our season culminated in a play-off for second place with KBH away from home in our final game. The boys played an exceptional game & were able to come away with a 2 nil win sealing second spot on the ladder.

A big thank you to all the players & their parents for all their hard work during the season. I thoroughly enjoyed working with the group & look forward to watching the boys' hockey careers as they progress through the junior ranks.

THANK YOU:

- A massive thank you to our very organised team manager, Loreta Bartholomeusz. Loreta did an amazing job ensuring that things ran smoothly & always had the boy's interests at heart. Without her help the season would not have been as enjoyable or successful.
- Craig Armstrong for all his help running the bench & helping with umpiring. Craig had an uncanny knack of making sure we left the game with more hockey balls than we started with which was appreciated.
- Marcus Ludwick for umpiring during the season, his professional attitude & spirit for the game allowed for a free flowing & enjoyable game.
- To all the parents for getting the boys to the games on time, helping with match day duties & providing the half time & post game snacks.

Congratulations to all the players who played in the team this year, Fraser Armstrong, Nicolas Bartholomeusz, Darcy Chiodo, Oliver Dobson, Xavier Eastham, Hunter Kerr, Ethan Maxfield, Logan Maxfield, Callum Pickford, Nathaniel Rees, Harrison Trounce

Daniel Mirecki - Coach

Girls U10:

SEASON OVERVIEW:

The U10 girls had an enjoyable & successful year, finishing 2nd on the ladder & managing to win against all teams except for the undefeated Camberwell. They scored 36 goals, with 10 girls managing to get on the scoreboard. 25 goals were conceded. The girls grew in confidence as the season progressed with skills & awareness improving weekly.

It was a juggle to play 11 girls in a seven aside competition, but thanks to our Team Manager Glenn for managing to run the bench so well. All players rarely missed a Monday night NDHL session, or Saturday game, such was the enthusiasm from this group of girls.

Something that might need to be considered, is I believe that it would be more beneficial for the U10 girls to train together weekly, rather than participate in the U10 NDHL format, just as I am sure all our opposition teams did.

Thanks must go to the parents for their support & encouragement & the abundance of oranges & lollies supplied throughout the season.

THANK YOU'S:

I would like to thank the following people who provided terrific support to the team this year:

- Manager Glenn Wilkins for all his time & efforts coordinating the team weekly & running the interchanges
- Parents for being encouraging & helpful
- James Dunell U10 coordinator

CONGRATULATIONS:

Congratulations to the following players for their achievements & contribution to the team this year:

- Best & fairest – Chloe Wilkins
- Coaches awards – Emily Robertson & Lanaya Dundules
- Congratulations to the following players who represented the team this year, Matilda L'Estrange, Chloe Wilkins, Ella Wilkins, Emily Robertson, Erin Dundules, Lanaya Dundules, Sione Kinzett, Aurora Jarvis, Piper Pickford, Paige Lyon, Ilse Dunell.

Andrew L'Estrange (Louy) - Coach
