Presidents Report:

I would like to again start this report by thanking those people who continue to give so much to the Greensborough Hockey Club. I suspect that the Greensborough Hockey Club is no different to many volunteer organisations, where the few contribute most of time & effort that keeps the place running. With that said, it was so pleasing this year to see a number of new faces helping around the club & to see many of the players contributing in a range of ways.

On the field, we had a pretty good year on the field with Women 35+ & Men 50+ winning back to back premierships in the Masters and the U16 Girls and U12 Mixed teams also winning premierships. However, we didn't lift any premiership trophies in the Men's or Women's divisions for the first time since 1996. Our Premier League teams both went out of the finals in tough circumstances. The men could not buy a goal in a match they dominated & the women stormed to the lead probably 10 minutes too early to guarantee a major upset. Both teams benefited from strong depth all year with the reserves teams playing quality hockey.

The squads already look stronger for the 2018 season with the return of some senior players, development of younger players & possibility of new players joining the club.

I would like to thank Greg Pickford & Glenn Simpson for their coaching efforts, ably supported by Justin Hooper, Steph Doutre, Courtney Jacklin, Andrew L'Estrange & Colin White.

Glenn will unfortunately not be coaching in 2018 as he has been offered an opportunity to play professionally in Holland & feels whilst there is time left in his body it is something he must do. Glenn does this with the full support of the club & we look forward to him continuing his coaching journey with us in time when he returns.

Picko has been reappointed for the 2018 season which is marvellous for the club. After talking with the players at the end of the season it was clear the impact Picko has had on many of the girls over the past few years. Picko continues to be a shining light for the club in contributing to juniors & encouraging many others to be involved also. I would particularly like to thank Picko & Justin Hooper for their efforts along with the PL Girls squad with the last term of NDHL. It would not have run without your support & the club is grateful.

Whilst on the subject of NDHL, I would like to thank Ken Parkin for his ongoing commitment & support to this group & also to getting out into the schools. For those with primary age school children in the area, it is likely they have now been to more than one of Ken's clinics.

A massive thank you goes to Erika Newbegin who continues to ensure NDHL is run & administered each Monday night. It is a thankless task & Erika does it year in, year out & is the major reason we are seeing kids & families start & stay with the club!

Across the juniors more broadly we continue to see improvement. We won premierships, played in finals, had competitive shield teams & all in all are on the way up. New coaches, managers & coordinators emerged & if we can continue to get more people involved & more kids down we will return to being the junior powerhouse we were for many years.

I issue the challenge to all junior parents for next year, to see how you can be involved. To all the kids, the challenge is to bring a new friend down to hockey.

This year Julian Cross did an amazing job running the hockey shop. Julian has a new job & may not be able to run it again next year, so we are looking for a new hockey shop manager. This is a profit share roll, so will suit someone looking for experience running their own business & also making some money along the way.

Finally, I want to thank the committee for their tireless efforts this season. Due to work commitments, I continue to struggle to invest the time required of a Hockey Club President. This is covered up by the amazing efforts of the committee.

James Dunell has stepped in & run the juniors this season along with organising everything else that has come his way.

Tegan de Man is the major reason we are in such good shape on the field.

Defrim Kutrolli has ensured we have continued with strong financial management & we are in strong financial position. (With a power of book keeping work delivered again by life member & club legend Robert (Kenno) Kennedy!)

Bob Crowley ensured our new ground was completed & our council relationship is strong.

Stuey Young has expanded our summer competition with the help of his family (I suspect the girls are doing most of the work), along with advancing uniform discussions & managing sponsors & marketing.

Trent Well continues to support Hockey Operations & has made a great start to improving club communications.

Belinda Ackerly was up to her ears in on & off field work until a plus one interrupted her season.

Then there is Greg Purser. It might be quicker to list what Greg didn't do this year than did! It was fitting that the Ground 1 was opened & named Purser Field (not Paddock as I thought was more representative) as I can't think of a

better way to sign off my time (this time) as president than honouring a family I greatly respect & admire. Thanks Greg & Debbie! & of course Jarryd & Lachy.

At this point I want to thank the entire club for the opportunity to be president. This club means everything to me & I take it personally whenever I hear anything negative. I wish I had more time available & could continue, but unfortunately my job takes me out of the state too often to do the role without letting everyone down. I want to particularly thank my family, who for the past two years have endured long days & nights of hockey on top of my absences due to work. For every hour I have invested at the club, I have generally left my wife at home at the most inopportune times! Somehow, she has always forgiven me. I also want to particularly thank my boys, who at the request of their dad were always the first to play for the other team when short, play in the most convenient team for me, help out other teams & do almost everything else they were asked without ever a word of complaint, or only a few words. 😊

Whilst I sign off as President, I look forward to helping in as many informal ways as I can next year.

Matthew Trounce - President 2016-17

Treasurers Report:

Highlights for the year:

- Resurfacing of Pitch No.1 at total cost of \$475,971
 - Funded through Loan Facility of \$500,000 @ 5.20% with 15-year term with Nillumbik Council as guarantor
 - 4 April 2017 - Drawdown of funds of \$477,968 including capitalised borrowing costs of \$1,997
 - 31 October 2017 – Loan Balance of \$417,360
 - Early repayment of \$45,481 sourced from maturity of Term Deposit of \$20,000 carried over from 2016 with balance of \$25,481 coming from surplus operating cash during 2017
 - Available for re-draw as at 31st October 2017 - \$33,481. That is, early repayments of \$45,481 less Sinking Fund Levy of \$12,000 set aside for Pitch Resurfacing in future years = net redraw funds available of \$33,481
- Net loss of \$2,689 for 2017 compared to Net Profit of \$40,266 for 2016. The decrease in Net Profit was driven mainly by:
 - More conservative accounting policy in 2017 in relation to Sinking Fund Levy of \$12k which was taken directly to Member's Equity instead of P&L as was the case in 2016
 - Increase in Coaching Fees of \$20.8k
 - Depreciation of \$31.4k for 2017 compared to nil for 2016. The bulk of this was for amortisation of the pitch resurfacing amounting to \$27.5k
 - Increase in Repairs & Maintenance by \$9.9k mainly driven by 2016 expense for repairs to light towers which was not accounted for in the 2016 Financials. The invoice was not received from supplier until June 2017
 - Partially offset by Sponsorship net of expenses up by \$5.7k mostly from scoreboard sponsorship, otherwise would have been down for the year, Ground Hire up by \$8.5k, HV Affiliation Fees down by \$4.6k & Bad & Doubtful debts down by \$4.3k
- Senior Country Championship making Net Profit of \$9.5k
- Purchase of two new scoreboards at net cost of \$6,378.90 each after sponsorship. Total net outlay of \$12,757.80
- Surplus cash provided by Operating Activities amounted to \$77.4k
- Trade Debtors & Other Receivables at 31st October of \$11,689 (2016: \$17,232).
 - It is disappointing that Unpaid Players Fees at 31st October amounted to \$5,570, (the remainder of \$6,119 relates to Ground Hire & Sponsorship)
 - Of the \$5,570 Unpaid Players Fees, only \$1,130 has since been received with \$4,440 still to be collected

THE COMMITTEE NEEDS TO REINFORCE THE POLICY OF "NO PAY, NO PLAY" FOR SEASON 2018. AS NON-PAYMENT OF MEMBERSHIP FEES ONLY PUTS UPWARD PRESSURE ON FEE STRUCTURE.

- The following table shows a summary of key financial highlights over the last 5 years:

| Year | Net Profit | Change | Term Deposit | Change | Bank Loan | Change |
|------|------------|------------|--------------|-------------|-----------|-------------|
| 2013 | \$19,113 | | \$139,259 | | \$286,306 | |
| 2014 | \$6,608 | \$(12,505) | \$169,079 | \$29,820 | \$262,169 | \$24,137 |
| 2015 | \$11,266 | \$4,658 | \$190,703 | \$21,624 | \$215,526 | \$46,643 |
| 2016 | \$40,266 | \$29,000 | \$20,000 | \$(170,703) | Nil | \$215,526 |
| 2017 | \$(2,689) | \$(42,955) | Nil | \$(20,000) | \$417,360 | \$(417,360) |

Defrim Kutrolli – Treasurer

Secretary Report:

This year we completed a number of activities to improve usability of our facility. I would like to thank all those who helped with the various jobs.

Clubrooms / Facility:

- Commenced discussion with Council regarding Stage 2 of the Club Rooms Development
- Purchase & installation of new scoreboards on both grounds
- Painting interior of the Canteen
- Replacement of storage room doors damaged through vandalism
- Moved chest freezer from breezeway to storage room
- Replaced the old drink fridges in the canteen

Grounds:

- Completed the annual surface cleaning & brushing of the playing surface on the Carpark Ground
- Co-ordinated cutting back of the tress over-hanging Carpark Ground
- Refurbishment of the spectators shelter to Yan Yean Rd Ground
- Replacement of the spectators terracing to Yan Yean Rd Ground
- Removal of graffiti from player shelters

Canteen / Bar:

- Thank you to all members who helped on the Canteen roster. Without your assistance, we would need to consider paying someone to run the canteen, which would result in fees having to be increased

Greg Purser – Secretary

Hockey Operations Report:

The main achievements for Hockey Operations in 2017:

- Increased Junior participation in Seniors
- Hosted the Zone finals & Hockey 7's local & regional days for School Sports Victoria
- Hosted the Senior Country Championships for Hockey Victoria

- Hosted 3 x nights of mid-week Premier League for Hockey Victoria (under lights)
- Expanded participation in the NDHL Summer season to 150 x players
- Appointed Premier League coaches for the 2018 season

While the season has been extremely busy, there are plenty of things we need to do to keep growing as a club & to provide players of all ages with a safe & inclusive environment. If you would like to get involved, please contact me as there are always plenty of jobs to go around.

Tegan de Man – Hockey Operations

Senior Team Reports:

Men's Premier League 1:

SEASON OVERVIEW:

Upon reflection of the 2017 season I will see it as a successful year yet a missed opportunity. Our win/loss record for the regular season was good, giving us the best possible chance for a shot at going deep into the finals. However, two straight losses left us all very disappointed.

The reason I say the season was a success was not only because of the good results, but we were able to train & play in a manner that demonstrates to the aspiring players what it takes to play PL at a high level. We gave opportunities to many players during the season, allowing them to reach for bigger things. Jordan Mulvaney, Chris Spatharis, Brett Kennedy, Nick O'Connell, Matt Coen, Rob Anderson, Ryan Nangle, Jordan Rees & others were exposed to regular trainings & or games with the PL team.

The level of activeness from PL players participating in making the club better increased. Players from our PL squad were involved on boards, assisted in working bees & generally helped where they felt they could. I would say, there is still some ground to be made up here & our squad can still add much more. Building on the relationship between the on & off field GHC will assist in that process.

I felt the PL & PLR had good communication & we had the full support of Colin White through out the season. I am very thankful for his assistance & his vision of having the PLR team be successful but also to be a breeding ground for future PL players. We were able to establish selection policies & meeting times that were consistent & open. I believe this allowed us to manage players to the best of our abilities & provide feedback to why they were picked where they were. Andrew L'Estrange was absolutely stellar this year. I cannot speak highly enough of his input. He was vocal, positive, organized & learned from each experience he could. A true clubman was cherished in our squad. He had the full respect of all of the players from the start & only gained more as the season went on.

Ideas & comments for the future:

- Establish 'coach the coach seminars'. Have the MPL & WPL coaches run bi-annual seminars for all other coaches in the club to attend. It will help them for ideas & also help to spread the vision of both teams through the grades.
- Promote the marketability of the MPL & WPL teams. I still think there is room for improvement here. Brining in money for the club & providing some 'incentives' for the top teams of the club. It is inspiration for junior players to see this. It also helps the club ask more of the top teams to run clinics & be actively involved
- Skill development & tactical knowledge development for younger players. One thing that we are missing at the moment is Victorian team representatives. Being in a Victorian team provides not only a playing level that is challenging but also exposure to the 'elite' information. Nutrition, tactical concepts, new technical skills & an elite mentality. If we aren't getting the players into the Victorian teams right now, we need to provide & 'elite' program for junior players. The time is now, as the depth of our PL squad won't always be there. The knowledge is around in the PL team & I have spoken to many about their interests in making sure that the club has a long & successful future.

Lastly, I would like to thank the committee for giving me the opportunity to coach. It is unfortunate that I won't be taking the role again in 2018. However, life has taken me on a slightly different path & one that I didn't necessarily anticipate. In saying that I am very happy to be in the place I currently am & will only have good memories of coaching the PL team this season. Maybe we can have another shot at it down the track.

Women's Premier League 1:

SEASON OVERVIEW:

The Greensborough Hockey Club "GHC" is the largest club in the North-Eastern suburbs of Melbourne & has a proud history in the Premier League with both the Women's & Men's teams representing. GHC prides itself on our focus on hockey development & our provision for players of all levels of playing experience.

The aim of this report is to provide a summary of Women's Premier League team performance over the past season.

Main Goals for 2017:

- Continue the development of the younger players & enhance the pathway to WPL
- Maintaining & growing the culture within the Women's section
- Continue to bridge the gap between Premier league & Premier league reserves
- Play competitive style of hockey
- Introduce a new Strength & conditioning coach for pre-season.

Expectations from playing group:

- Senior players to take on mentor roles
- Player commitment

PERFORMANCE SUMMARY:

Pre-season started in November 2016. This year we brought in strength & conditioning coaches from Force Fitness in Bundoora. Steve & Adam challenged the girls & bought with it the desired results as fitness testing was conducted at the beginning, middle & end of preseason. All members of the women's section of the club were invited to preseason. This year we averaged near 30 players, having a cross section of players from the Women's section including Junior's. It was great to see all women interacting, competing & encouraging one another. There would be a few changes I would implement for the 2018 preseason to further improve the sessions & keep it fresh & fun.

To further emphasize the development of players in 2017, we had several younger players train with the main playing group throughout the year. This was to expose them to the change in training intensity, skill level & to make them aware of what is required to play top level hockey. This process worked with several players getting game time in the Premier League Competition. This year we saw Chayla Reeves, Alice Johnston, Emma Leighton & Casey Kingi make their Premier League Debuts This year. Erin O'Connell returned after battling injury over the past two years & was great to see her play 9 WPL & in the finals campaign. We also had further improvement from Meagan Lendon, Morgan de Man in their 3rd year in the WPL.

My focus for the playing group this year was to carry on our mentoring program & to continue the development of the younger players. I encouraged them to speak with the senior players, ask questions & be open to learning from them.

At the beginning of the year, our focus was on player development & playing competitive hockey each week. We didn't have any expectations in regards to where we would like to be on the ladder or where we would finish. I was more focused on development & playing a consistent style of hockey.

After 11 rounds, the team sat 6th on the ladder. The team played well this year with the focus on players entering the team & or adjusting to new playing positions. We trialled a new playing structure this year which over time worked effectively as the playing group adjusted. This came about as the playing group united & grew further as a group.

Major Milestones for the 2017 season:

- After Round 11 GHC WPL – 6th on ladder
 - 6 wins, 4 losses & 0 draws
 - 33 goals for & 20 goals against
- After Round 22 GHC WPL – 7th on ladder
 - 11 wins, 8 losses & 1 draws
 - 59 goals for & 33 goals against

Achievements:

- Secured a finals berth by finishing top 8 (7th)
- Played Prelim Final

PLAYER RECOGNITION:

We started off the season well & I attribute this to the player's commitment & belief in themselves as well as belief in each other. Their commitment to give 110% of themselves & to their team mates was commendable. Their desire to win & the passion they showed was outstanding.

Representative recognition:

- Rachel Lynch – Australian Hockeyroos, Victorian Institute of Sport & Victorian Vipers

- Nicola Hammond – National Junior Squad, Victorian Institute of Sport, Victorian Vipers & Victorian U21
- Meagan Lendon – Victorian Futures Squad, Victorian U21 & U18
- Stephanie Riordan – Women’s Premier League “All Stars Team”

Player Milestones:

- Alana McQueen 100 Games
- Nicola Hammond 100 Games

Finally, thanks must be given to all the Senior Women who contributed their time to the GHC in helping with the coaching and/or mentoring of our junior girls & club functions.

CONCLUSION:

To finish the season in 7th position & to play in a prelim final has been a fantastic feat achieved by the girls, unfortunately we did not win the prelim final this year, but I assure everyone that the girls gave it their all & left nothing left in their tanks & were well lead by our captain in Steph R. I am so proud of this playing group & how they all go about their hockey with their never say die attitude.

To Steph Dautre, thank you for being my Assistant this year, you did an amazing job & I really enjoyed working with you. Laurie, thank you for everything you have done throughout the year. The support you have given to me especially on game day was invaluable to me & the girls.

Justin, thanks again for all your support this year. It has been great working with you. The amount of work you do behind the scenes trying to develop our next generation of players is outstanding & you & Courtney should be extremely proud of yourselves.

Greg Pickford – Coach

Men’s Premier League Reserves:

SEASON OVERVIEW:

This year was quite successful, on the back of a premiership last year, with the group getting to the preliminary final. We started with good numbers at pre-season. Once again we were aided by a good mix of experienced players Namely Drew Anthony, Jordan Cowley, Brett Kennedy & Paul Kennedy & with Dane Van Meeuwen & at later stages Tom Crowley, we were quite strong across all lines.

The younger Players now gaining more experience were exciting to see coming through. Having the opportunity to give Premier League game time to players such as, Matthew Cohen, Nick O’Connell, Ryan Nangle & Chris Spatharis, saw them improve & find out the level required to achieve too, so they can play regular games at the PL level, as well as contribute to the reserves team’s success.

Obviously being able to have the quality of players such as Dane Van Meeuwen, Drew Anthony, Tom Crowley & Jordan Cowley come through the team made all players lift & play better, having said that I would like to thank these guys for coming back & playing in the reserves & putting the team/club success ahead of any singular thoughts. Especially in the case of Dane. It is nice to see this type of player come back through the two’s & help those players looking to play PL. It would be good to encourage the likes of the guys in Premier League that are looking to step back not to give it away completely.

I would like to thank James Bryant, when asked to step into the net at short notice when Cody injured himself on the Thursday before the first final, did so without question & performed well in our finals campaign.

Lastly it was pleasing to be able to give exposure to such younger players such as Jordan Mulvaney, Sam Northey, Matthew Lendon, Glen Jones, & who all played better the more exposure they received.

I would like to thank the club for once again giving me the opportunity to coach the reserves. It is rewarding to see the progression in skill & work rate of the younger player’s, with some getting an opportunity to be exposed at PL level.

I would like to see some advanced training offered to guys that are on the edge of breaking into the PL side, such as Michael Coen. Nick O Connell, Jordan Mulvaney, something on a Tuesday night set up by any of the experienced guys such as Glenn, Daniel, Tim. To offer some guidance as to what they should be working on to advance into PI & be more consistent.

THANK YOU’S

A big thank you to Karyn Cohen, who once again fulfilled the roll of team manager & did an outstanding job.

Women’s Premier League Reserves:

SEASON OVERVIEW:

It’s been the 5th year that the Premier League system has been in place & although our results on the field this year weren’t as planned, I feel like we have continued to make significant developments in ensuring that the Woman’s section has a strong platform to continue to build from. With WPL losing 300+ games of 1st grade & international experience we were able to see significant improvement in players earning their debut (Casey Kingi, Chayla Reeves) in WPL & young players such as Ashlyn Reeves (12) & Amelia Bartholomeusz (14) being able to experience WPLR & begin to dominate the grade at such a young age.

We finished the season in 12th position, with 4 wins, 4 draws & 12 losses. Although it appears to be a poor season we only lost 4 games by more than 3 goals, showing that the group has come a long way in the 5 seasons together. It’s a real credit to Ellen Purvis & Lucy Reade who continued to support & encourage the group even though we were probably the better team on the park, but unable to convert our opportunities week in week out.

I’d like to make a massive thank-you to Belinda Day who stepped in at the start of the season to be the assistant coach prior to the birth of her first child Byron! I know the girls loved having you as coach & would love to one day see you take control of the group moving forward!

Also to Erika Newbegin who came to every game & was team manager. You were the cog in the team & the unsung hero week in week out. You do so much for this hockey club & it was awesome to have you help out & make sure that the unseen things happened!

Finally I’d like to thank Greg Pickford the woman’s WPL coach. It was a pleasure to be the WPLR coach to you. In three years you have completely changed the culture of the group & still maintained the winning edge. You took chances on players from what I’d seen when no other coach would have & backed your decision. You helped mentor me & gave myself a fresh way of coaching the girls & I just hope that over the last 6 years of coaching within the GHC women’s section every player who played under me was able to learn something & have a positive experience.

THANK YOU:

- Greg Pickford WPL coach
- Erika Newbegin Team Manager
- Belinda Day Assistant coach
- To the parents, partners & families who supported us throughout the year
- All the players for their commitment & dedication during the season

CONGRATULATIONS:

- Alison Britt – B&F winner
- Ashlyn Reeves, Amelia Bartholomeusz, Erin Lardner for their respective debuts in WPLR

Men’s Pennant A:

SEASON OVERVIEW:

- We finished 6th at the end of the home & away season this year which was a serious disappointment to the group that we had this year. We definitely wanted to be playing finals but it just wasn't going to be our year. Consistency let us down with results that should have been didn't come our way but on our day we had little to no issues dispatching the teams that ended up in finals. In the last half of the season, through players going up to play reserves, holidays, & Injuries the team performed well in tough situations. We held our own on many occasions without quite coming up with the points. On our day & injury free we competed with the teams at the top which is a credit to the boys & their development throughout the year
- The teams most memorable moments this year saw us take on a few different playing styles & confidently manoeuvred these during games to hold the level of control. With the group that we had I think the level of player skill & development showed that we definitely grew more as a team & developed players further to move on in time to higher grades. This is an improvement on last year's group with some of the guys moving up a grade from Penn B permanently & some to reserves which is the development that we are striving to achieve. I believe we have developed the boys well & the fact that we had a much more consistent group this year they played some really good hockey together
- The development of the team was great this year & I thank Glen Simpson & Colin White with their training & skills coaching during the year. I would also like to thank Brenten Coulthard for his efforts on the sideline later in the season to help me concentrate more on the tactics of the game & to help push towards finals which evidently didn't happen but we were definitely strong enough as a team to perform in September. A special thanks goes to James Woodman for holding the warm ups & for the many stirring half time talks to help keep the boys focused & to stick with the plan. It makes my life much easier when I am not having to worry about those duties as well, so thank you very much!
- I think we have grown considerably as a group & feel that every player will be much stronger for the experience. The system that we adopted & the style of hockey we played is a credit to the group for sticking to the plan & discipline required to play such a fast & skilful brand of attacking hockey

THANK YOU'S

- Many thanks would have to go to the guys that helped out on short notice Drew Anthony, Tim Doutre, Sam Doutre, Justin Hooper, Mathew Trounce, Tom Woodman, Heath Simpson, Michael Coen, & Rob Zull. I would also like to thank Lachlan Purser for stepping up as our home umpire when we were struggling for strong officiating! Without them I am sure we would have played some games short & understrength so thank you!
- Thanks must also go to the guys who helped out playing when we needed more senior guys to stiffen up the squad for some tough games. Thanks go to Mathew Trounce, Tom Woodman, Heath Simpson, Drew Anthony & Rob Zull the experience these guys bring to the team is invaluable & helps create the culture of a strong group that I am looking for in the guys
- I would also like to thank the players & the parents that have made the transition from juniors to seniors this year & hope that next year is more rewarding come finals time
- Big thanks must go to Colin White, Jarryd Purser, & Drew Anthony for the coaching they provided to the group for the year, also for taking on a leadership role with the boys at times when needed

CONGRATULATIONS:

- To James Bryant for winning the Best & Fairest
- To all the players in Pennant A this year:

| | | | |
|-----------------|---------------|----------------|----------------------|
| Drew Anthony | Sam Doutre | Dean Kingi | Matthew Trounce |
| Craig Armstrong | Tim Doutre | Jeffrey Kitson | Phineas Tupper-Creed |

| Michael Coen | Justin Hooper | Alex Pozzobon | Robert Zull |
| Shaun Collins | Nathan Hooper | Jarryd Purser | James Woodman |
| Jonathan Cross | Glen Jones | Heath Simpson | Mathew Lendon |
| Julian Cross | Leigh Jones | Adam Spatharis | |

- Thank you for the opportunity to captain this year
- Look forward to captaining this side to more victories next year!

Craig Armstrong – Captain / Coach

Men's Pennant B:

SEASON OVERVIEW:

An enjoyable year with many players getting the opportunity to move up & gather some exposure to PA & some junior players coming up to earn full time spots in PB Jeffrey Kitson & Matthew Boylen in particular have shown great improvement & promise throughout the year. & how can I not mention the teams massive Goal keeper influence when on any given game day there was upto 3 past Premier League Goal keeper on the field.

Bec Bartel did an amazing job in the Goals & personally kept us alive in more games than I'd like to admit. John Doyle once again provided great insight & motivation for the team in the times when we desperately needed it & Gareth Spittal – Premier League Premiership Goalkeeper last year to PB Highest Goal Scorer with plenty coming of his drag flicks & one monstrous Tomahawk from the top against Doncaster!

The team was looking good for a 2nd year in the finals for the first half of the year however a poor second half with large changes to the team on a week to week basis meant we struggled to perform at our best when we needed to.

We finished 6th on the ladder with 6 wins, 9 losses, 3 draws, +2 GD & a total of 21 pts.

THANK YOU:

- To all the players who filled in at short notice to ensure that our team had enough players &
- All the players for their commitment & dedication during the season.

CONGRATULATIONS:

- Congratulations to Bec Bartel & Tim Doutre who were joint best & fairest winners
- Congratulations to the 31 players who played this season:

Rebeca Bartel, Matthew Boylen, Shaun Collins, Will Creed, Stephen Cresp, Jono Cross, Julian Cross, James Crowley, Kyle Curtis, Kyle Derndorfer, Samuel Doutre, Tim Doutre, John Doyle, Justin Hooper, Nathan Hooper, Ben Hopkins, Glen Jones, Leigh Jones, Dean Kingi, Jeffrey Kitson, Matthew Lendon, Andrew L'estrage, David Mossop, Alex Pozzobon, Jarryd Purser, Lachlan Purser, Gareth Spittal, Mark Thompson, Phineas Tupper-Creed, Trent Wells

I look forward to greater improvement next year & continue to assist in developing the depth of our club

Women's Pennant B:

SEASON OVERVIEW:

Although the girls didn't make finals there were still many positives that came out of this year. The season was a huge learning curve for the girls as the team was vastly different from the year before having lost players to injuries, transfers & higher teams. This meant we had a lot of new faces & got to fill many spots with juniors. They finished ninth at the end of the home & away season but put in some very promising performances against some good teams. The girls should be proud of those efforts.

All girls showed huge improvements both in terms of individual skill development & in playing together as a team.

There were two memorable moments during the year: the first was an away game versus Powerhouse who were an incredibly strong team filled with very experienced players. The first half was very defensive & the girls remained cool under pressure & played smart hockey. In the second half they managed to bring themselves into the game a little more & came away with a hard fought 2-1 win in a tight match where they only had 5 shots on goal. The second memorable moment was a game played against Southern who were known for very tight games with small score lines. This game was an arm wrestle but as we spoke about at half time the key was to not give up & remain in the contest until the end of the game. The team scored 2 goals in the last 5 minutes to come away with an exciting win. The girls played so well & it was good to see them win a mental battle against a clearly more experienced team.

CONGRATULATIONS:

- Congratulations to the girls who had earn a call up to play in a high grade.
- I would like to congratulate all the girls that trialed & made junior representative teams.

THANK YOU:

- I would also like to thank everyone who helped out & filled in this season as we had a small group & were struggling to fill the team at times. Your support was greatly appreciated
- Lastly, I would also like to thank all the girls – they made the job of coaching a pleasure with their attitude, commitment & determination. They showed respect for each other & I hope they enjoyed the season as much as

I did

Courtney Jacklin

Men's Pennant E:

SEASON OVERVIEW:

This season had the Men's Pennant E side show major development in both individual performances & our cohesiveness as a team. The team consisted of a good balance of youth & experience that gelled well throughout the season.

Improvement in the confidence of Diederick in the backline, Matt Boylen's skills up forward & the run of Marcus Ludwick were great signs in terms of the development of our up & coming youngsters this season. Whilst James & Hendrik's experience & reliability in the backline was a consistent highlight from our masters.

Our goal of the year came from another master in Ian Ludwick. After being called an 'old man' by his opponents, he soon out ran them to score a quick goal from the baseline to get his revenge.

As a team, we began the season with a frustrating trend of losing many games we led at half time. With recognition of this issue the team managed to turn this trend around & avoid relegation with a series of impressive wins. One of the more significant games ended in a draw against Altona, where resilience & confidence in our ability as a team grew. A lot was taken from this draw as a team, with the raise in confidence resulting in winning several games towards the end of the season.

Thank you & congratulations:

- To the parents of our younger players for their ongoing support
- To Ian Ludwick for his ongoing availability with both stick & whistle at the last minute.
- To Joe Raso who was the highest goal scorer for the year with 7 goals, in a team where the scoring responsibilities were widely shared.

I thank all of the senior members of this team for supporting me with the leadership of the group along with all 29 players who played a part in our development this year.

Women's Pennant E:

SEASON OVERVIEW:

For the 2017 season, we undertook the management of the Pennant E team with a view of introducing our junior girl players into the world of senior hockey. Our focus was the development of skills, build up their confidence playing against older players whilst being very conscious of not burning out these young players & hopefully the retention of the juniors when they are ready to play senior hockey full time.

Our playing structure was thus having more experienced senior players placed in positions offering support & direction on the field to our younger players, ensuring each player who came off the field feeling like they were part of a team not just a "fill in". The team consisted of an almost 50/50 split of senior & junior girls, with the majority of juniors playing with the U/12's.

It was very pleasing to see the development & improvement of these younger players throughout the course of the season. At the end of one game, we even had one of the HV umpires come up to us to let us know he had noticed how much our young girls had improved. The younger players could not have had this improvement without the likes of the senior players who provided strength, stability & support within the game structure, special thanks goes out to you also.

We thoroughly enjoyed coaching & managing this team, & were very happy to finish the season 7th on the ladder. We look forward to watching the development of these players over the next coming years. Well done girls

THANK YOU:

- To both Justin Hooper & Courtney Jacklin for allowing the Pennant E girls to be part of PLR /PB training sessions, & for all of your help on game days with coaching, team managing & umpiring when needed.
- Ann-Maree Colborne for taking on the team manager role for 2017
- To all of the parents, especially those of the juniors for happily allowing your girls to be involved in senior hockey, even with the large distance of away travelling & often games against teams that were the opposition's firsts, & even themselves joining us to play.
- To all of club members & parents who helped fulfil the almost weekly umpiring commitments
- The 40 players from across the club listed below that took the field for the 2017 season:

CONGRATULATIONS:

- Mia Coulthard who won our best & fairest, & for her selection in the JSC U/15 girls Red Devils Team
- Alyssa Azrein & Emma Bartholomeusz for their selection in the JSC U/13 girls Red Devils Team

Yvette Consolino & Kerrie McKay

Men's Metro B:**SEASON OVERVIEW:**

With most of the young players from last year's Metro A team moving up to Pennant E it was decided to merge the remaining Metro A players into the Metro B team. While this ensured that we had enough players there was an initial settling in period while roles & positions were worked out. Asha Ford joined the team when she wasn't starring in the Womens Pennant E team & Alex Posterino returned to help out the team while he was on holidays from university.

It was a very challenging division for our team this year. There were 3 teams that were clearly superior to the others in the division. While we were competitive with the other teams we were never able to challenge the 3 top teams. We managed to develop our team structure throughout the season & improved our ability to hold on to the ball against stronger teams.

This year instead of the managers picking the best & fairest winner it was decided to do a Brownlow style voting system. The results ended up being surprisingly close with only 1 point separating 3 players. Ryan Grigg was the winner on 17 votes. His best on ground performance in the final match helped kept his achievements in the forefront of everyone's mind at voting time. He was closely followed by Simon Dowsett & Lari Smith who were tied for second place on 16 votes. Unfortunately, Simon had way too much work to do in most games. He was often the deciding factor in our wins & stopped the score from blowing out too much in our losses. Lari was the hardest worker in the team. She was always there to make the decisive pass or crucial tackle to change the momentum of the game.

THANK YOU:

- To all of the players who filled in at short notice to ensure that our team had enough players
- To the parents, partners & families who supported us throughout the year
- To all the players for their commitment & dedication during the season

CONGRATULATIONS:

- To Caleb Jephcott who was the highest goal scorer for the team again this year with 7 goals
- To Ryan Grigg who was the winner of best & fairest award for the team.
- To all 31 players who played in Metro B during the season

Andrew Adams & Ian Ludwick – Metro B Captains / Managers

Women's Metro B:

2017 saw the return of some original players & with the boost of excellent recruitment during trade period helped us produce our 2nd best season ever. Over the season we had 23 different girls play including several juniors & finished the home & away rounds in 3rd position with 6 losses, 3 draws & 9 wins. We then went onto slug it out in the finals series winning 1-0 in the semi-final against Kew/Box Hill & producing a thrilling 3-2 shootout win over Croydon in the preliminary final.

It was then onto the big dance against Doncaster a team that had only lost 1 game all season. In a gutsy effort from all players we played our hearts out coming away as runners up in a very tight 0-1 loss but more importantly we have fun. We pride ourselves on being a social team, as the majority of our players didn't grow up playing hockey & have built a fun, friendly, cohesive environment that gives everyone an opportunity & encourages our junior girls to participate.

We thoroughly enjoyed the 2017 season & look forward to hopefully bringing home a premiership in the not so distant future.

THANK YOU:

I would like to acknowledge the following people for their help throughout the season:

- Kellie & Hailee White for being our coaching duo extraordinaires
- Marilyn Bourke for coming to every game often being our only spectator rain hail or shine

CONGRATULATIONS:

- Best & Fairest – Emma Ludwick & Maddie Fistic
- Players Player – Maddie Fistic

We look forward to a fantastic 2018, going one goal better & bringing home that flag!

Jennie Zull - Captain

Masters Team Reports:

Men's Masters 50+B:

SEASON OVERVIEW:

For the second year we have finished in the top two in this competition & went on to win the final via a penalty shootout. My judgement is that this was a successful season for the team. At this age group a reasonable pool of players is required to be able to field a team each week, & we are lucky to have a group of regular players, augmented by irregulars who can play some of the time.

This year John Bedford, Michael Shade & Dale Rosario joined the group & gave us some additional fire power, thanks guys.

Stalwarts such as Hendrik Six, Peter Boylen, Carol Brewster, Ken Smith, Mark Ford, David Spiden, Tony Edwards, Craig Cartwright, David Peebles & Ian Ludwick also went round again.

A lot of behind the scenes organisation is required for the older teams & over the years we have become adept at this. Thanks to all for paying attention to the, sometimes last minute, team lists & instructions.

In the season we got off to a flyer & were on top of the ladder for most of the year, falling to second towards the end, finishing there at Round 18. A great finals campaign was undertaken resulting in us winning the GF.

The best & fairest this year went to Hendrik Six, who whilst protesting about how stuffed he was all year, put in some sterling efforts on the back line.

Well done to all -can we make it a trifecta in 2018?

Barry Collins – Manager

Men's Masters 45+B:

SEASON OVERVIEW:

After our Grand Final appearance in 2016, many of us were looking forward to an opportunity to go one better this year & pick up a premiership. Unfortunately, we found ourselves going into the 2017 season with a largely depleted side & with only 7 confirmed starters going into round 1. It was a weekly battle to get 11 players on the pitch & we played a number of games with only 9 or 10 players, which was always going to make it difficult to have a good result.

Having said that, we saw some very positive signs throughout the season with the introduction of some new players who were either new to hockey or had been out of the game a very long time. These guys showed great commitment to learning the game & it certainly showed as the season progressed. They really improved & became important parts of our team set-up as the season went on. It was also great to see the development of some of the other players in our side who showed real commitment & tenacity & rose to the challenge week after week & grew as players.

With only 2 wins & 3 draws for the season, it's fair to say that it was a tough year, but the most pleasing outcome was the spirit & growth of the team & the comradery of the players. Rarely was a criticism heard & mostly everyone encouraged each other, which showed a strong team spirit & gives us a great building block for next year & beyond. We finished 6th for the year (out of 7) but often the score line didn't necessarily tell the story of the game – a number of times we were “pipped” in the final minutes of the game or just had a goal go through which was simply unlucky. With the same team next year, I think we can look forward to a much better position on the ladder & more satisfaction from each game we play.

Bring on 2018!

Craig Huntley - Manager

Men's Masters 45C:

SEASON OVERVIEW:

The 45C side had a difficult year. We were slow to get going, having a shortage of players for the first 4 weeks. By the time we organised the numbers we were already well down the ladder. Over the season we gradually clawed our way back to fourth place. Unfortunately, we lost a couple of crucial games in the last few, & missed the finals by 0.23%.

The team would benefit by more co-operation, & a better team focused effort, rather than the individual efforts given.

- We will endeavour to engender some more of the Burra spirit for next year
- A lot of the 50Bs side helped out over the year & we thank the guys for this
- The best & fairest was Hendrik Six who again put in some great efforts on the back line

Barry Collins – Captain / Manager

Women's Masters 35B (Yesterday's Hero's):

SEASON OVERVIEW:

Due to the World Masters in Auckland & a break for the July school holidays the winter season seemed to go on forever, starting early April & finishing late September!

We began the season slowly with a mixed bag of results & then with some injuries after the Masters the team was sitting 4th or 5th for a number of weeks. As winter really set in the girls dug deep & notched up a number of wins finishing second at the end of the home & away season.

We played Brunswick in the semi winning 2 – 0. A great result considering our results against Brunswick during the season - a loss & a draw.

As it turned out we met Brunswick again in the Grand Final. It was a very tight game with Brunswick scoring first. We managed to draw level with 3 minutes to go forcing the game to a shoot-out. Although Lynnne had never been involved in a shoot-out she was fantastic in denying the Brunswick girls. In the end a great Premiership win by the YH girls. Well done to all of the girls who played this year.

Stotty

Men's Masters 35A:

SEASON OVERVIEW:

The Monday night men's 35A Masters team had a disappointing season finishing in 8th place. Every fixture we were competitive & the team will rise back up the ladder in 2018, our inability to score the first goal in a game & the fact we rarely had the same team in consecutive weeks were the key factors explaining our ladder position.

From an individual perspective, Seton Mcleod was outstanding in goals, he made numerous saves of the highest quality every week. Andrew L'Estrange was a worthy best & fairest winner & our leading goal scorer. Stewart Kerr in his first year in the A side slotted in extremely well at left wing & always provided a target. Andrew Pain was his ever-reliable self on the defensive lines. Best performance of the year was beating subsequent grand finalists MUHC away.

THANK YOU:

- Meagan Lendon & Chris Spatharis for umpiring our home games
- All of the players who filled in at short notice to ensure that our team had enough players

CONGRATULATIONS:

- Andrew L'Estrange who was the highest goal scorer for the team & best & fairest winner

Mixed U18 Pennant:

SEASON OVERVIEW

From the start the 2017 season looked to be a challenging time as the minimal numbers were made clear early on. Yet with a slim 2 on the bench, at best, this group showed true character & perseverance to fight to an undefeated season. This was an exceptional result & testament to their hard work this season. This group really showed their class ending the home & away season as Minor Premiers with 11 x wins 0 x losses & 3 x draws, & with a massive goal difference of +82 with 94 goals for & only 12 goals against.

With dominating performances against Frankston (20-0), Yarra Valley Gold (11-0) & Knox Green (9-0), this team quickly established that they were the team to beat. Their grit shone through in the games against Southern United, who were our top of the table rivals from round 1, in which they clawed out a 2-2 draw each game. Our team finally broke that streak in the first round of finals in which they played an incredible game to get a 1-0 win against Southern & putting us straight into the Grand Final.

Although we had small numbers we had good turnouts at games with everyone playing the majority of games & even qualifying some new faces for finals along the way, in Louis Zorzanello. Our trainings were not ideal with only 5-7 on average attending out of the 13 possible however with such a large group all training at the same time on a Tuesday we made the decision early to move training to a Thursday night instead. With this came some unavailability's however it meant we got a goal to use for every training & a full half pitch which they benefitted from.

CONGRATULATIONS:

- To our Best & Fairest winner Dean Kingi
- To our Coaches Award winner Koray Demir - who showed excellent improvement on & off the field, played nearly all games & was a great person to have around
- To Dean Kingi who also came away Top Goal scorer with 21 goals in 15 games. Also to Matthew Boylen & Alex Pozzobon who tied 3rd in goal scoring with 17 goals each from 15 & 14 games respectively
- To Emma Leighton who had an exceptional season as Goal Keeper only conceding 12 for the season
- And to the team for an outstanding season & for making it to the Grand Final

THANK YOU:

- To John Leighton for aiding in coaching, & helping to make it great fun & an enjoyable season all round
- To manager Matt Heyhoe who did an outstanding job provided lots of laughs & made my job easier
- To Chris Spatharis for assisting with coaching when needed. This was particularly useful for the striker group to get some knowledge from a high-level player in their position
- To all players who helped fill in when needed e.g. Emily Kandell for 5 games & Matthew Coen for 1 game

Finally, I just want to say a massive thank you to everyone involved this year & everyone that helped us out. It's been an incredible year for this team & I've had the privilege of being a part of it. I would like to wish all players luck in their future endeavors it was awesome to be able to coach such a great bunch (and hopefully Major Premiers).

Girls U16P:**SEASON OVERVIEW:**

The 2017 season for the U16 girls will be one of the highlights of their junior careers. The bottom age girls of the team had previously lost their Grand Final the season before. The top age girls of the team had lost two consecutive Grand Finals in 2014 & 2015. From the very first training session of the season, we trained & played with the intention of making finals.

The girls had a remarkable season, finishing on top of the ladder & only losing two games throughout the season. In our team, we had three out of five of the highest goal scorers in the competition. A special mention to Hailee White who finished as the leading goal scorer.

Although we were great at scoring goals, our defence was just as important to our success. Our goal keeper, Jess Stepanavicius, was under intense pressure in the Grand Final as she had to defend shots from not only the other team, but from our team too. Thankfully, our hard work paid off & the girls earned the title of the 2017 U16 Pennant Premiers, beating Casey 3-2.

THANK YOU

A big thank you to our team manager Leanne Reeves, who went above & beyond to support the team. We'd also like to thank Greg Reeves, who took on the role of team manager when Leanne was unable to attend games.

CONGRATULATIONS

- To our captain Chayla Reeves who won our best & fairest & to Zoe Atherden who received the coach's award
- To Amelia Bartholomeusz, Mia Coulthard & Chayla Reeves who were selected in the Red Devils

Girls U14 Pennant:**SEASON OVERVIEW:**

At the start of the season, there was a possibility of not having an Under 14 Girls side due to insufficient numbers. I strongly encouraged the club to retain the team with top players from the Under 12 Girls side, & so took on the coaching job with Andrew L'Estrange. We played in the Pennant completion & performed very well in all games.

As the season progressed, we were able to recruit more numbers, & with the help of many Under 12 girls- some regulars & others rotating- we were able to form a very competitive side. The girls all got on really well & played to the best of their ability. The cohesion of the team was easy because we always trained together with the Under 12 girls. The friendships made by all the girls were very pleasing & encouraging for the year ahead

For us coaches, the Under 14 Girls team was a success, & the girls' willingness to learn & play better hockey was evident as the season went on. I'm sure next year will be a very fruitful year for the Girls Under 14 side.

I would like to thank Andrew L'Estrange for all his help with the training sessions & game days. Thank you to all the wonderful parents for their support & encouragement, & thank you to Peter & Helen Agnew for all their hard work & organisation as team managers.

Finally, congratulations to Inge Theron for winning the 'Best & Fairest Award' & Lanaya Dundules for winning the 'Coach's Award'. & congratulations to all the girls for a great season.

Mixed U12A:

SEASON OVERVIEW:

This year the team competed in the highest grade of the Hockey Victoria competition and as a consequently it was a tough season. However, the players remained positive throughout & showed great improvement as the year went on. There were 5 other teams in the grade & we were competitive against all of them. The team finished fifth with 3 wins & a draw.

HIGHLIGHTS:

- A 3-1 win against Southern United who had beaten us 1-5 earlier in the year
- The selection of Lachlan Shinn-Mahony in the Red Devil's Team

THANK YOU:

- Stuart Maxfield who Managed the team
- Matthew Henderson for attending to injuries as they occurred & running the interchange roster
- Bailey Craigie who umpired our games
- To the Team Leaders who were selected by the players. Callum Pickford (Captain) & Liam Craigie (Vice Captain), who ran the warm up & made decisions on the ground

CONGRATULATIONS:

- **Best & Fairest** - Callum Pickford & Lachlan Shinn-Mahony. Both tried extremely hard in every game & never gave up
- **Most Improved** - Nathaniel Rees who by the end of the year was a solid defender who marked extremely well & was hard to eliminate

Mixed U12 District:

SEASON OVERVIEW:

With an uncertain start to the season start with no coach selected & only 7 or 8 players, I was given an opportunity to bring my son Aidan up from under 10s & coach the U12 district side. It was a tough start, for the first 2-3 games with having to use fill in players each week & with injuries to Ethan Maxfield, Mitchell Dow & a late start for Josh Pain. Despite this as we progressed together, the players & myself started finding their ideal positions & the team started to gel very quickly. By round 7 with the addition of Deakin Trounce down from the U12 Shield team we had a full side every week & were playing unbelievable TEAM hockey.

All players in the team contributed, we competed hard & everyone had a never give up attitude, focusing on effort but most of all having fun. The team all trained hard & our skills steadily improved as the season progressed.

By the end of the home & away rounds we had finished top of the ladder with 2 losses, 1 Draw & 10 wins. With a 2-0 win over Kew in the first final we went straight to the grand final. Meeting Kew in the grand final it was a tough, hard

fought game. With our team showing great character & determination we held off a fast finishing Kew for a 1-0 win. Win, lose or draw I was so proud to have been involved with such a great team. All of them were a pleasure to coach.

HIGHLIGHTS:

- Winning the Premiership
- Our first win of the season against Doncaster
- Beating Kew 3 out of 4 games we played them as they were a great team
- Players scoring their first goal in full field hockey
- Aidan Carmody, Logan Maxfield, Mitchell Dow, Deakin Trounce, Josh Pain, Lincoln Jackson
- Michael Sette who's first hit in hockey was a GOAL!!
- Hatricks to Aidan Carmody & Harrison Trounce
- Harrison Trounce for playing for Croydon when they were short
- Our unbelievable backline & goalie Trey Wittleton who only conceded 6 goals for the season

THANK YOU:

- Brooke Yoxon for doing an amazing job as team manager
- Ken Parkin for getting me involved in coaching & for his advice on all things hockey
- Matt Trounce for his help & advice on game days & training, working with the backline & words of encouragement
- Brett Wittleton who's family had a tough season, but he was always there as much as possible helping with the goalies
- Dean Jackson, helping at training & keeping kids in check
- Greg Pickford's invaluable help with training drills & concepts
- Premier league players, Glenn Simpson, Byron Walton, Mat Pollard, Jordan Rees who helped out with training
- Emily Lyon, U12s coordinator
- To our fill in players, Nicolas Bartholomeusz, Liam Craigie, Logan Maxfield, Mitchell Henderson, Paige Lyon & Taya Scott

Team Leaders

Each week we rotated who was captain, a special mention to Deakin Trounce who always stepped up when needed & was rewarded by captaining the team in the grand final

CONGRATULATIONS:

- Aidan Carmody who won the Best & Fairest
Our youngest player at 8 years old, Aidan's determination & desire to compete at 100% was fantastic, he worked hard on his skills also training with U14 Shield team
- Darcy Chiodo who won the Coached Award:
Darcy was always at training early, hitting up & having shots on goal, he always listened, did what I asked & never complained. Playing at centre half he was a pleasure to coach & an important part of the team, respected by his team mates

Girls U12 A:

SEASON OVERVIEW:

After a great first season of Under 12 Girls hockey for Greensborough in 2016, I was very happy to take on the coaching role again this year.

At the start of the season, the under 12 girls were part of the Pennant competition which proved not very challenging. Each game resulted in very convincing wins, & there was not much of a challenge for the girls. So with the approval of club president, we opted to play in the Shield competition. This was much more rewarding for the girls, with each of them improving in all facets of their game. It took their skills & attitude towards the game to the next level. I believe that we were more than competitive in the Shield competition, & played a much better standard of hockey. We played to the best of our ability throughout the season, & in the end we were unlucky to not play in the finals. I feel that it was a successful season, & the girls really benefited from playing at the higher level.

The girls' attendance at training was the most pleasing part of the coaching job. Always having large numbers at training was very reassuring, & we often trained with the under 14 girls as well. The girls have developed great friendships, & I hope this forms the nucleus of a great under 14 girls team next season & onwards.

I would like to thank Andrew L'Estrange for all his help with the training sessions, & Justin Hooper who helped out on

game days. Thank you to all the wonderful parents for their great efforts - especially Doneita our team manager for all her hard work over the season.

Finally, congratulations to Emma Ludwick for winning the 'Best & Fairest Award' & Jacqueline Dickens for winning the 'Coach's Award' - they are both very deserving recipients.

Mixed U10 (Green):

SEASON OVERVIEW:

The Boys U/10 Green team experienced a tough start to season, experiencing a few heavy defeats. The boys were able to turn it around, with a strong finish & some fantastic wins.

The team consisted of an amazing group of boys who grew as individuals, showing great sportsmanship & dedication throughout the year.

It was an absolute pleasure watching the boys develop their individual skills & understanding of the game as well as forming strong friendships off the field.

A big thank you to all the players & parents for all their hard work throughout the season. I thoroughly enjoyed working with the group & learnt so much from them.

THANK YOU:

- A massive thank you to Loreta Bartholomeusz. The season would not have run so smoothly if it weren't for Loreta. Loreta did an amazing job as our teams manager, ensuring everyone was well informed & always had the boy's interests at heart
- Thank you to all the parents for getting the boys to the games on time, helping with match day duties & providing the lollies & oranges

CONGRATULATIONS:

To all the players who played this year, Nicolas Bartholomeusz, Thomas Brocchi, Jack Delaney, Caelan Robertson, Mitchell Van der Korput, Sherling Wittleton, Logan Hawley, Archy Shipley, Remy Guzzo

Girls U10 - Green

SEASON OVERVIEW:

2017 saw the formation of two U10 girls teams (Green & White). The girls from both teams all trained together on Monday nights, along with the others who did not play in the Saturday morning competition.

McKinley Ryder & myself ran the training sessions beginning with practicing 2-3 skills, then breaking into two teams for a game.

Attendance at training was high & consistent. This was also the case on game day & I'd like to thank the girls & their parents for being so committed.

They are a great group of very coachable girls, who were really keen to develop their hockey skills, learn & try new things, but they also had a lot of fun along the way.

Although we weren't winning games, the team spirit remained high. There was obvious improvement each week & importantly, strong friendships were formed.

THANK YOU'S:

I would like to thank the following people for their fantastic support throughout the season:

- Manager Glenn Wilkins for liaising with parents & myself to ensure we had a full team each week & managing the interchanges
- Mckinley for coaching alongside me on Monday nights to provide a valuable skills & games training session for the whole U10 group
- Parents for their continued support & encouragement, aswell as organising oranges & lollies & helping with the canteen at our home games

CONGRATULATIONS:

Congratulations to the following players for their achievements & contribution to the team this year:

- Best & Fairest – Maya Bennette
- Coaches Award – Ilse Dunell & Sione Kinzett

Congratulations to the players in the team this year, Ilse Dunell, Sione Kinzett, Maliah Kinzett, Georgia L'Estrange, Maya Bennette, Annabelle Maree, Ella Wilkins, Shanise Rajarajan, & Selinna Rajarajan

Girls U10 - White

SEASON OVERVIEW:

This year the U10 girls group expanded allowing the formation of both a Green & White team that played in the Saturday competition. Trainings were held on Monday nights whereby both teams alongside other U10 girls who did not play on Saturdays trained together. Louey & I ran the sessions which consisted of a few skill-based drills each week followed by a game.

The girls were enthusiastic & committed every week both at training & on game day. This season saw great improvement in the group which can be put down to the girl's determination & willingness to listen & learn as well as work with each other.

They are a great group of girls who were a pleasure to coach. They were all so determined to get out there & have a go but most importantly to have fun. It was delightful to see the girls grow as hockey players over the season but also how much they bonded & formed close friendships. Although we only won a few games, the girls were always determined & proud of each other's efforts.

The season was very successful overall & I hope to see all the girls out there again next year.

THANK YOU'S:

I would like to thank the following people for their support & efforts this year:

- Team Managers Lisa & Shane Butler for their continued support & organisational skills to ensure we had a team each week & the girls had an orange & a lolly to snack on
- Louey for coaching alongside me on Monday nights & for showing me the ins & outs of the job as a coach
- Parents for their commitment to the team; making sure the girls got to trainings & the game, had half & full time snacks & for their support & encouragement on the sidelines

CONGRATULATIONS

Congratulations to the following players for their outstanding achievements & improvements this year:

- Best & fairest – Piper Pickford
- Coaches award – Jenna Cothill

Congratulations to all the girls who represented the team this year, Elise Butler, Jenna Cothill, Claire Coulthard, Isabella Gafforini, Eden Hird, Lylah Mulroy, Piper Pickford & Jessica Thompson
