Presidents Report:

As is customary, I would like to say a general thank you to all the committee members, volunteers, coaches, team managers, umpires, players, parents, sponsors & supporters for their efforts this year in continuing to make Greensborough Hockey Club a fantastic sporting club. 2019 was especially notable for me because of some top-notch social events & two very successful & well attended presentation nights. Kudos to the social committee & all who assisted.

The committee members have continued to spend a lot of time on the proposed pavilion redevelopment. Greg Purser especially continues to be heavily involved in attending meetings, hosting site visits & liaising with council. The proposal went out to tender in October & at the time of writing is expected to be awarded in late November 2019, with build dates estimated as March 2020 to February 2021. It is a very exciting time for the club with the end result being a fantastic community hockey facility to make the short-term pain worthwhile.

The new uniform becomes compulsory across the club in 2020. Many players are already sporting the new uniform & we looking forward to seeing the new design at all levels.

I continue to be appreciative of those who choose to stay at Greensborough despite tempting offers from elsewhere. We are in the unique position of being financially responsible for the very expensive surfaces on two national standard pitches while running a hockey club on volunteer power in an amateur sport. Not a bad effort. Other clubs may have had better luck with council-, government- & sponsor-backing but I for one am glad to be at Burra!

Congratulations to all of those who have been selected for representative teams in our region or state, especially those who are representing Hockey Club Melbourne in the newly formed Hockey One league. Rachael Lynch continues to add to her legacy, passing 200 caps for Australia & helping the Hockeyroos qualify for the 2020 Tokyo Olympics. Josh Pollard & Nicola Hammond both also had outstanding seasons, capped off with HV All-Star selection. Josh, Nicola & Rach have all had a run with HC Melbourne where both the men's & women's teams made finals.

Summer NDHL continues to be an especially popular offering at Burra & we have kicked off yet another record-breaking season in October 2019 with expansion to 10 senior teams (180 players) & 6 junior teams (60+ players). Special thanks to Brenten Coulthard, Greg Pickford, Stuart Young & the "Young Ladies", Greg & Leanne Reeves & the senior team managers & junior team coaches for their efforts to make Monday nights a club highlight over the Summer.

Naomi Pickford ran juniors in 2019 & did a fine job with help from the junior sub-committee, coaches & team managers. She also managed a few Women's Premier League games & even held down a spot on the club committee all season too! Well done Cuz!

Our Kiwi award for best club person went to Brenten Coulthard this year. Brenten was literally everywhere, all the time. There are not many areas of the club where he was not seen helping in 2019!

A special thanks goes to all who have umpired & to Tegan de Man, Jeff Dunn & Rod Kay who continue to assist with our umpire allocations & development, encouraging aspiring umpires to pick up the whistle & dole out some cards! Hopefully only to our opposition of course...

Sponsors remain a vital resource at Burra. Some have signs on the pitches, others sponsor a player. Some prefer to remain out of the limelight while others will be found at the bar generously supporting their teammates & the club. Just Hockey, Simply Helping & Bendigo Bank have again made significant contributions this year. I hope that all members consider our sponsors whenever looking for a service or making a purchase. Look out for a club business directory in 2020!

To all of those who have helped in some way, I thank you. Your help is noticed & valued, even if it doesn't always receive the recognition deserved.

Finally, thank you to my wife Beth & children Ilse & Felix for all spending significant amounts of time at the club, often helping me with the various tasks of being a president or just being good club supporters in general.

Enjoy the Summer off if you are not playing NDHL, otherwise you can catch me eating a veggie burger at the BBQ on a Monday night...

See you all at the Burra in 2020!

James Dunell – President

Treasurers Report:

It is with great pleasure that I present the 2019 Treasurers Report.

I'd like to thank James & all the Committee for the hard work during the year.

I especially like to thank Defrim for his outstanding dedication to the bookkeeping.

The financial result for the year was a net profit of \$25,070 compared to a net loss of \$11,167 for 2018, an increase of \$36,237. The major highlights were as follows:

- Bar & Canteen sales up by \$13,566
- Player Fees up by \$8,193
- Social Function up by \$2,907. Thank you to all behind this.
- The continued interest in Summer NDHL. Thank you Stuie.
- Sponsorship up by \$14,988:
 - A big driver for that was the net player sponsorship of &7,665
 - Contribution from Bendigo Bank for the new goals \$6,500
 - Continued support from Simply Helping
 - Vic Health Foundation grant \$2,986 for the school clinic gear
- Ground Hire continues to be a solid revenue for the club
 - This includes ground hire from Junior Country Championship
- Uniform & Hockey shop sales are down \$7,846, but we have plenty of stock for next year
- Loan repayments of \$65,826 have brought the loan balance down to \$307,383 & monthly repayments are now \$3,4459 per month
- Club expenses were down by \$9,538:
 - Main items are reduced depreciation, interest & general expenses
 - Player fees outstanding for 2019 are currently \$2756, which is also down on 2018
- The increased popularity of Junior NDHL & Hookin2hockey. Than you Brenten.

The following table shows a summary of key financial highlights over the last 5 years:

Year	Net Profit	Change	Term Deposit	Change	Bank Loan	Change
2015	\$11,266	\$4,658	\$190,703	\$21,624	\$215,526	\$46,643
2016	\$40,266	\$29,000	\$20,000	\$(170,703)	-	\$215,526
2017	\$(2,689)	\$(42,955)	-	\$(20,000)	\$417,360	\$(417,360)
2018	\$(11,167)	\$(8,478)	-	-	\$373,209	\$44,151
2019	\$25,070	\$36,237	-	-	\$307,383	\$65,826

Matthew Foster – Treasurer

Secretary Report:

A busy year for all committee members this year, with many achievements to celebrate. We started the year with only 6 committee members: James Dunell, Matt Foster; Greg Purser; Stuart Young; Jane O'Connell & Naomi Pickford, as well as Tegan de Man, who agreed to remain as the Hockey Operations representative. Early in the year, Tom Crowley joined the committee to assist in developing & acquiring sponsorship opportunities. This was followed shortly after by Matt & Michele Henderson, who joined in the key roles of MPIO & Communications. Half way through the season, following advice from Hockey Victoria, we added an additional role of Hin2H/NDHL coordinator & this position was filled by Brenten Coulthard. This resulted in us having 11 committee members to assist in managing the many facets of this large sporting club.

Initially we met fortnightly until mid-way through the season, when we moved to monthly meetings. Good attendance at all meetings, with only one meeting cancelled for the year due to lack of a quorum.

There was improved focus on applying for funding from external sources, including grants & sponsorships, with the introduction of player sponsors. We were successful in a number of grants resulting in improved equipment for the club (new goals) & juniors throughout the year.

Communications:

Social media platforms were refreshed & kept updated to improve communications across club members, with thanks to Michael Mirecki, Michele Henderson & Erin O'Connell. Thanks also to Anne-Marie Cupples for her amazing photography efforts throughout the year, really showcasing some of our great games & functions. It was also fantastic

to see photos coming in from various other teams & hopefully this can become the norm in the future. The aim is to ensure that all members can look to our sites to stay updated with communications & links to HV sites when required.

Canteen/Bar:

The rostering for the canteen was effective this year, with thanks to Tegan de Man for facilitating this & to all the players & team managers for coming along when rostered. The BBQ on home days continues to be a hit & saw the return of Helen Mirecki, to reunite with Ian Hooper, Ann Ryder & myself in supplying amazing burgers, including the addition of 'vegie' burgers for our hard working President & his family.

Jane O'Connell - Secretary

Clubrooms Redevelopment:

While it was disappointing Nillumbik Council rejected our original second storey redevelopment proposal, we have continued to work with them to get the best outcome for the club. These discussions have resulted in Council agreeing to the following changes:

- Increasing Social room space from 120 to 150 sqm
- Retaining the existing storeroom 22 sqm
- Extending the Western deck to better utilise the underroof area
- Including replacement of existing concrete spectator area & seating
- Including a ramp from the new spectator area to GRN-1

We have also renegotiated a reduction of \$100k to our project contribution in recognition of our long-term financial commitment to the development of the hockey centre. This is a great outcome as we won't need to take out a new loan. While construction is underway, temporary changerooms & toilets, will be installed & the canteen will be relocated so we can continue to operate.

In Summary:

- Nov-19 Construction tender closed (28-Nov)
- Jan-20 Appoint builder & commence redevelopment
- Jan-21 Complete redevelopment
- Feb-21 Clubrooms handover

Note: A final copy of the plans is available on the club website

Greg Purser – Re-development Committee

NDHL Summer Program:

The fourth season of #NDHL Summer Hockey again saw the playing group grow on the previous year. The spread of players across club members consists of under 14 (top age) to over 50 Masters both male and female.

The Competition for #NDHL4:

- 8 teams of 18
- 145 playing on a regular basis
- 20 players who didn't play winter season 2018
- 10 players from other local clubs

Gender	2015-16	2016-17	2017-18	2018-19
Female	16	31	35	37
Male	78	103	107	108
Total	94	134	142	145

A big thank you to the Team Managers for really making this work & getting a team on the park every week. We had some return managers & few new ones – Brendan Carmody, Craig Armstrong, Leigh Jones, Leanne Reeves, Simon Dowsett, Nick O'Connell, Kerry McKay & Amy Young

Continuing with our mantra of providing a safe, fun & slightly competitive summer hockey environment for club members & players from other local clubs. The opportunity to have players of various skill levels, age & gender play in

a competition that is both welcoming, supportive & enjoyable. This has again provided a great cultural experience for those involved.

A special thanks to the “Young Ladies” – Deb, Amy & Sarah for helping with all the administration, drafting feedback & unwavering support to bring this competition to fruition.

There has been great excitement around the setup of this competition & the level of support still continues to surprise us. Plans are already in place for #NDHL5.

Stuart Young (NDHL - Summer Commissioner)

Hockey Operations Report:

The main achievements for Hockey Operations this year included:

- Increasing Junior participation in Seniors
- Hosting the Zone finals & Hockey 7's local & regional days for School Sports Victoria
- Hosting the Junior Country Championship for Hockey Victoria
- Expanding participation in the NDHL Summer season to 150 x players
- Met the LEC for participation in Premier League next season
- Appointed Coaches for all Premier League & Pennant teams

While the season has been extremely busy, there are plenty of things we need to do to keep growing as a club & to provide players of all ages with a safe & inclusive environment.

This is the most important Sub-Committee in the club & needs more representation from the different playing groups in the club. If you would like to get involved & contribute to how we run the playing side of the club, please contact Jane O'Connell at secretary@greensboroughhockeyclub.com.au

Senior Team Reports:

Men's Premier League 1:

Season overview:

The 2019 season started positively as we welcomed back to the 1st team group star players Josh Pollard, Nath Macguire & Tyler Cowley. We also were boosted by a recruit from South Australia, Billy Robbins.

In Pre-Season we set ourselves 3 key challenges: Improve fitness levels, Improve our defensive record for goals conceded & make sure we enjoyed playing hockey.

The team felt finishing top 6 would be a realistic goal.

The pre-season fitness schedule was effective & we were able to measure our performance using the beep test & the team reached the required levels which was the foundation for the season.

We also worked hard to implement a new zonal defensive system which is used Internationally & in Europe but not often in clubs in Australia. This proved to be a real positive & meant we all experienced something new & importantly worked together to improve it during the season.

It's very positive for the future of the club to see the younger group of players start to play a more significant role for the team. Congratulations to Jackson Van Meeuwen, Ryan Nangle, Jordi Rees, Michael Coen, Nick O Connell, Jeff Kitson & Talen Rees for your contribution this season. Special mention also to Ash Bingle who had an excellent year in goal & I was particularly pleased with his contribution to the group with ideas for training & game day.

We welcomed Tom Minnall over from England to play for several months. It was a great experience for him & he certainly played his role on & off the field. Thank you to the many members of the club who helped him during his stay. Especially Rob Zull who arranged the trip, the Crosses where he lived & Paul De Man who arranged work for him. This has also opened up an opportunity for one of our young players, Ryan Nangle to travel to England in the off season to play for Tom's team.

I'd like to thank the leadership group of Heath Simpson, Dan Mirecki & Rob Zull for all their help, ideas & support during the season. Their passion for this club & especially their teammates is enormous. We are fortunate to have many experienced heads in the team. Sam Fraser, Tom Crowley & Brendan Ford were invaluable for their ability on the field & contribution off it.

We experienced a few tough injuries during the year with Michael Mirecki missing all season, Nath Macguire injuring his hammy twice & missing finals & having played almost a full year Tyler Cowley injured his knee again & sadly was forced to announce his retirement.

2 games stand out to me especially during the year:

We beat Doncaster who had been smashing teams & had arguably the best list in the league on their home deck. The quality, discipline & belief in the defensive system & above all the team work was outstanding.

We played Southern Utd in the last game of the season who were top of the league & had only lost 1 game all year. We were sitting 4th. Our defensive zone & counter attacking speed was outstanding & we moved into a 4-1 lead. They came at us strongly but our team held strong to secure an excellent win 4-3.

Southern went on to win the flag for the 2nd year. We were leapfrogged in the league by Footscray on goal difference to finish 5th & miss out on the double chance.

We frustratingly lost in our 1st final to Essendon 1 - 0. We didn't perform as well as we would have liked but still created enough chances to win & were frustrated by some excellent goalkeeping. The success of Southern left a feeling of what might have been but we weren't quite consistent enough all season.

We achieved our goal of finishing top 6 in the league, which was a considerable improvement on 2018 & importantly had a lot of fun playing hockey.

A special thank you to Bob Aldersea for all his help as team manager for yet another season. In a rare moment of communication to the whole team he powerfully stressed the importance of teamwork as we prepared for finals. It was special.

Thanks to all the team for their hard work & the club for their support.

Joe Hill – Coach

Women's Premier League 1:

Season overview:

The Premier League season starts in November when the keen, motivated & enthusiastic players come together & work on their base fitness. I was very pleased with the number of players from all across the women's section who showed commitment right from the very beginning & continued to develop to be the best hockey players they could be. A number of the 'senior members' took on different roles within these fitness sessions. Again, it was fantastic to see leadership skills developing in a variety of players.

As a new coach & with a playing group very different from previous years, there was always going to be challenges throughout the year. I got a few comments at the start of the season suggesting we may have been exceeding expectations, but I knew the group & trusted them to do what was required which saw them earn 5th spot & have the ability to challenge some of the top 4 teams.

There were some notable injuries in the back half of the season that caused some disruptions to selections however the team remained strong & just got on with the job. I wish Celine all the best with her recovery from a serious knee injury. We are looking forward to having you back when the rehab is complete.

I am extremely proud of this bunch of girls. They showed such grit & determination & continued to work hard for each other week in week out. We narrowly missed out on a spot in the semi-finals after losing in sudden death shoot-outs, but it was yet another game that had me beaming with pride at the way the girls conducted themselves. Well done to the 5 girls who took on the challenge of shoot outs. It's not a great way to bow out of finals, but that's sport.

Thank you:

- To Andrew Beck, my assistant coach. You gave so much time & energy to make this group as successful as possible & I thank you for the help that you have provided me.
- To Nicola Hammond, who did a great job in her first year as captain. She led by example & shared her incredible knowledge of the game, which the team are very grateful for.
- To our team manager Paul Kingi for continuing to make sure that the girls have everything they needed to get themselves on the pitch. Particularly the essentials, tissues & lollies.

Congratulations

- Nicola Hammond winner of the clubs Best & Fairest player & HV All Star team
- Mel Houghton Sims who was voted the Players Player by her peers
- Ashlyn Reeves (u15), Keeley Thompson (u15), Meagan Lendon (u21) & Nicola Hammond (HC Melbourne) who represented Victoria at National Championships

Well done to the following list of players. Each & every player was an important member of the WPL team in 2019

Amelia Bartholomeusz	Fiona Bathie	Naomi Brasier	Morgan De Man
Karina de Vries-Apted	Celine Donnet	Nicola Hammond	Melissa Houghton-Sims

Alice Johnston	Emily Kandell	Casey Kingi	Meagan Lendon
Georgia Logan	Rachael Lynch	Lucy Ockenden	Naomi Pickford
Ashlyn Reeves	Chayla Reeves	Courtney Rudd	Mckinley Ryder
Sarah Young	Keeley Thompson

Men's Premier League Reserves:

Season overview:

2019 was a good year for PLR losing only 1 game in the regular season & finishing on top of the ladder. It was a very tight competition with any of the top four teams in contention for the number one position on the last game. One positive was the number of PL players who came through the Reserves, this year, as they worked their way back into the PL team. They were happy to support the team & mentor the younger players.

Half –way through the season we had to say farewell to a key player- Drew Anthony, who relocated to the USA with work. Drew continued to stay involved by getting me to send him the videos of our games & giving feedback, showing he continues to be a great club person. The most pleasing aspect of the season was to see the improvement of the players. As a group & individually they worked hard at training, took in any feedback & always put the team first. I hope that they enjoyed their season as much as I did.

We lost to Camberwell 2-1 in the preliminary final. Unfortunately, that's how finals go sometimes.

If you had asked me in January if I would take 15 wins, 2 losses, 4 draws & score over 80 goals, my answer would have been YES.

Thank you & congratulations:

- Thanks to Erin O'Connell for being a fantastic team manager, always ensuring the results were entered & assisting with rotations.
- Thanks to Jordan Cowley for his leadership & support as Captain. His hockey knowledge & skills were an asset to the team & myself.
- Thanks to Jane O'Connell for videoing each game, which allowed me to give real examples to players on opportunities for improvement
- Thanks to Dane van Meeuwen, who announced his retirement at the end of the season. His talent, experience & expertise was greatly appreciated by myself & the players
- Thanks to Michael Mirecki, who couldn't play this year but came to every game & supported the team where required
- Lastly a big thank you to the playing group, who did everything asked of them & never stopped trying to succeed.
- Congratulations to Jeff Kitson who made the VSS Under 16 state team
- Congratulations to Gordon Zull for winning the MPLR Best & Fairest & support for me

Drew Anthony	Jordan Cowley	Brett Kennedy	Sam Northey	Dane van Meeuwen
Craig Armstrong	Tom Crowley	Paul Kennedy	Nick O'Connell	Tom Woodman
James Bower	Jonathan Cross	Dean Kingi	Alex Pozzobon	Gordon Zull
Matthew Boylen	Finn Dalton	Jeffrey Kitson	Talen Rees	Rob Zull
James Bryant	Joel Doig	Matthew Lendon	Adam Spatharis	
Michael Coen	Brendan Ford	Tom Minall	Chris Spatharis	

Peter O'Connell - Coach

Women's Premier League Reserves:

The women's premier league reserves side had a mixed year finishing 9th. The season was a huge learning curve for the girls with the team was vastly different in the second half of the year compared to the start as a result of losing players to injuries & availabilities.

However, this gave us a chance to introduce some of our juniors into the team who took the opportunity to start building their foundation for their senior hockey.

Although the girls didn't make finals there were still many positives that came out of this year, one being welcoming back Sarah Kutrolli, Sarah Young, Megan Bellman & Celine Donnet to hockey.

Personally, one of my highlights for the year was a game against the previous premiers in Essendon where we came away with a 2 –nil win, it was a tough battle but we had a solid contribution from every team member, it was exciting to see the girls in full flight.

I'm immensely proud of the girls ability to grow & maintain a positive environment this year, it required patience & commitment & it was integral for us especially whilst introducing juniors into the team.

Congratulations

- Alyssa Azrein, Emma Bartholemuesz & Emma Ludwick for playing their first Premier League Reserves game.
- Keeley Thompson & Emily Kandell for playing their first Premier League game.
- Keeley Thompson for winning our Best & Fairest in her first year in senior hockey. It was a reward for commitment & her incredible consistency.

Thank you

- Tash for her role as captain. Her commitment to the team really set the tone.
- Tegan & Georgia for your continued assistance throughout the season. Knowing I have your support made my job that much easier.

Lastly, I would also like to thank all the girls – I genuinely enjoyed coaching you all this year

Courtney Jacklin - Coach

Men's Pennant A:

They played so much good hockey. So competitive too. That's the best way to describe our Pennant A side.

However, the side could only manage to bring home a mix bag of results. I guess in many ways, it's not what was anticipated from our playing group, given the amount of effort applied by the players. We had a good blend of master's & senior players. We could only manage to win 5 games with a further two drawn games, throughout the season.

Statistically, we became the 3rd best scoring side in the competition scoring on 46 occasions. Though we could not match that same standard in defending goals being scored by our opposition. The drawn games should have been wins. On two occasions the team was leading, 4-1 & 5-1 respectively late into the 2nd half & going so well, before failing to hold out to win those games. So, it's now possible the team may face the prospect of being demoted.

We can be proud though, in mentioning, we played our best hockey to win against Grand Finalist's in Doncaster & another Finalist team in Hawthorn. We also, fought out a top game against another strong side, in Southern United. This proved, we had the capacity to match it with the best sides in the competition. However, momentary lapses in concentration meant we missed out recording more victories.

The team playing list did see many changes throughout the season, being the 3rd side, in the club. It becomes a feeder to the 2nd side, which is understandable. However, when you include players unavailability, as happened on many occasions, the strength of the side was severely impacted.

This season the players joined in training with the 2nds side, which was beneficial going forward. We had a core group that made the effort to attend training & this helped in the way the team was able to perform on match days. The players all got on well & shared the joys in winning & took the losses in their stride.

Pleasingly, there is a sense, the players are keen to go on in 2020. That's a good sign for the team & for the club. With that in mind, many players are worth mentioning that had a consistently good season include: James Bower, Craig Armstrong, Jim Crowley, Nick Hill, Stephen Marks Leigh Jones (scoring 17 goals), Clayton Thompson, Mark (Bomber)Thompson, Dean Kingi, Alex Pozzobon, Tom Woodman, Phineas Tupper-Creed, Bec Bartel, Cody Hassing, Glen Jones, Colin White, Joel Doig, Jonathan Cross, Matt Boyden, Justin Hooper, Nathan Hooper, Finn Dalton, Brendan Moncrief, Paul Kennedy, Gil Doutre (GK) Drew Anthony, Michael Coen, Adam Spatharis, James Boxer, Matt Lendon, James Dunn, Sam Doutre, Tim Doutre, Nick O'Connell, Albert Robbins.

SEASON OVERVIEW

This season was a great opportunity for our junior players to really make their mark on a senior team. Five of our regular players were under the age of 15 & three more were under the age of 18. This made for an interesting season. We started the season strong, winning our first four games convincingly. We soon found our very young, developing team playing against women who were strong, experienced & relentless.

One of the highlights of our season was playing the top team at their home ground. We were unable to field a full team & at one point we only had 9 players on the pitch. This made for a very difficult game as the ball was predominantly played in our defense. As only 2 of our players were defenders, our girls were pushed out of their comfort zones having to play positions they had never played before. We lost the game 3-1 but we were so proud of our ability to remain competitive & even score against such a dominant & physical opposition.

Although our season did not go to plan, we were able to make progress in other ways. For some of our players it was their first time playing seniors, & for others it was their first season in Pennant C. Persistence & determination paid off for many of the girls who were given the opportunity to play their first or multiple games in the Premier League Reserves.

THANK YOU

Thank you to Wendy Ludwick for being a supportive & accommodating team manager.

Thank you to our co-captains Georgina White & Anna Klaassen for their commitment to the team & their ability to always remain positive.

Thank you to the 33 players who played with us this season. There were many times where we wouldn't have been able to field a team without your help. A special mention to Ashlea Boxer, Erica Butera & Kerrie McKay who were more than happy to fill in when asked on multiple occasions.

CONGRATULATIONS

Congratulations to Emma Bartholomeusz for being our highest goal scorer with 8 goals.

Congratulations to Emma Ludwick for winning the best & fairest award.

Men's Pennant E:

Season overview:

This season's Men Pennant E side were competitive & had a good balance of youth & experience players & did match it at times with the top sides of the competition throughout the season.

We only managed to win one game & drew one game for the season. As frustrating this was for the team we soon recognised the main reason for these losses was due to having bad starts to the start of the game. We rectified this issue in the second half of the season which did improve our performance against most of the teams in the competition. We finished last on the ladder. Hopefully things go our way & we stay in Pennant E & don't get relegated to Pennant F for season 2020.

Thank you & congratulations:

- To the parents of our younger players for their ongoing support
- To Ian Ludwick for umpiring some games when there were no hockey Vic umpires available
- Congratulations to Matthew Trounce who was the highest goal scorer for the season with 4 goals
- Congratulations to David Leary who won the 2019 Best & Fairest award

I thank all of the senior members of this team for supporting me with the leadership of the group along with all 38 players who played with Pennant E this season, James Boxer, Peter Boylen, Elliot Bryant, Sam Cannata, Brenten Coulthard, Jack Carmody, Jono Doutré, Kye Duncan, James Dunnell, Michael Eley, James Glover, James Dunn, Brendan Hodges, Craig Armstrong, Tremayne Ryder, Scott Bartel, Brendan Moncrieff, Joe Raso, Diederick Six, Hendrick Six, Colin White, Jeremy Allan, Jason Mill, Ned Polidano, Zac Thompson, Deakin Trounce, Matthew Trounce, Harrison Trounce, James Tyler, Greg Pickford

Men's Metro:

Things didn't go exactly to plan this season. For several years now we have been losing a Men's team every year. Last year was the first year that we didn't lose a team & we were hoping that this year we could reverse the trend & add another team. We had a successful season last year with 8 juniors playing in the team. The plan this year was to send most of them up to the Pennant teams. In order to make room for them we were expecting some of the Pennant players to have to come down to Metro so we created the Metro A team for them. Rob Thompson was recruited to run the Metro A team.

When the season started it soon became clear that the movement of players was more up into the higher grades of Pennant to fill in gaps rather than down to the new Metro team. The only Pennant players who regularly played in the Metro teams were Andrew Meek, Peter Boylen & Hendrik Six. We welcomed Jason Mill, Eldon Abbott, Casey Vollmer & Jasrajan Sodhi who had returned to hockey after not playing for a few seasons. Michael Foster & Kye Duncan came up from the Juniors to join Jeremy Allan & Zac Thompson who played with us last season. Finally Lachlan King decided to play hockey for the first time.

This resulted in less than 22 players across both teams even when all players were available. Fortunately, lots of players helped by playing multiple games each weekend & we were able to constantly borrow players from the Women's, Masters & Pennant teams. It is amazing that we managed to field a team for every Metro game this season despite not having 11 regular players for both sides. The best part about this was that we were always looking for extra players so we were open to anyone who wanted to play.

This has been the year of completing sets with Wesley, Lacey & Shane Martin as well as Ian, Marcus & James Ludwick playing together. In what must be a first, Zac Thompson played in a game with both of his parents, Robert & Robyn. To really complete the set, we had both men & women from juniors, seniors & masters divisions in the club playing in the teams throughout the year.

Simon Dowsett has backed up his best & fairest win from last year with 22 votes. This put him miles out in front & won him the best & fairest for Metro A. Lachlan King has had a massively successful debut season receiving 15 votes which gives him the best & fairest for Metro B. This may be the first time a player has won a best & fairest award for a senior team in their first year of hockey.

Jason Mill was the top scorer for the Metro A team with 4 goals & the top overall scorer with 6 goals. Andrew Meek was the top scorer for the Metro B team with 4 goals & was the second highest scorer overall. A special mention goes to Asha Ford, Peter Boylen & Riaan Louwrens who each managed to score 2 goals in a single game at different points throughout the season.

Thanks & congratulations:

Thanks to the parents & families of the players for their ongoing support throughout the season

Thanks to Tegan de Man for organising umpires for every game this season

Thanks to all of the players who filled in at short notice to ensure that we could field 2 Metro teams each week

Congratulations to all the players who were new to the club this season. I hope to see all of you back next year.

Congratulations to Wesley Martin who played the most games again this year despite going to Disneyland in the middle of the season!

Congratulations to the 42 players who played in the Men's Metro sides during the season.

Women's Metro A & B:

This year we had two teams competing in the Women's metro competition. With a late out from most of last years Metro A team we started off very short of players with lots of the team doubling up / down for the weekend games, however we were able to field mostly full sides most weekends with the support of the juniors coming through - this included possibly fielding the world's youngest Senior side with the Metro B Ladies – with the youngest player being 10, several 11 year olds, a couple of 13 & 14 year olds ... with a couple of seniors & several masters thrown into the mix!

As a young team the Metro B side did very well & came together as a team & grew their skills & passing throughout the year, the team was unlucky not to have more wins, however they ended the season on a high with a win over La Trobe Uni. This team is ready to kill it in next years metro Competition.

As mentioned we had several juniors play their first senior hockey games – Piper Pickford, Ella Wilkins, Ilse Dunell, Jacquie Dickens, Maya Bennette, Sinone Kinzett, Caitlin Dowsett (GK) – who all contributed excellently throughout the season & it was very noticeable how confidence & skills improved during the season. Special mention to Carol Brewster & Carol Schilling Collins who contributed significantly to the coaching & support of their team mates, Laurie Alonzo who joined for her first year in Metro Competition Hockey & was a solid contributor both on & off the pitch, Caitlyn Quinn who joined the team as a new Senior player coming into the Metro side for the first time of playing hockey – who quickly found her feet & became a core part of the team & to Ilse Middleton & Robyn Thompson whose solid efforts in midfield / inner positions helped ensure the teams successes & helped prevent large defeats. A big thank you also goes to Ilse Dunell who filled in as Goal Keeper for the team & did an outstanding job when Metro A borrowed Caitlin for a couple of weeks...

Best & Fairest went to Piper Pickford who smashed it with 196 votes in her first ever season of Senior Hockey, with Caitlin Dowsett (who was playing her first season with Seniors & was excellent as the Goal Keeper) & Carol Brewster as the runners up in the category. There was a great split of goal scorers this season with Robyn Thompson taking out the top spot with 3 goals scored for the season & Rachael Ford (First senior season) scoring 2 goals.

The Metro A team was also a new team that quickly came together & when a full side was fielded remained unbeaten for the whole season.

With the addition of the juniors to the Metro B side, we were able to move a few players up to the Metro A team to help with numbers, these included Chloe Wilkins & Claire Noonan (Who was playing her first ever season of non-school hockey) – these two young ladies would have been very strong contenders for Best & Fairest however as they switched teams their votes were split across both Metro A & B – scoring highly in both.

The team had several newcomers to the club with Stephanie Sutcliffe & Karalyn Davies adding great depth to the backline, Rue Muzambwa joining us as an inner & Lauren Parkinson joining us on the forward line.

With solid performances from Lacey Martin in goal, Asha Ford, Frith Hunt, Rachael Adams, Brooke Kandell, Emily Noonan, & Lari Smith & the rest of the team Metro A were able to finish 3rd in their category & went into the finals week finishing the regular season with a win against top of the ladder Yarra. Taking the confidence into the first elimination final we came up against a very strong Mentone – who manage to squeeze a lucky goal in late in the second half to win 1-0 – however an excellent effort all around & a great season for a newly bought together team.

Best & Fairest went to Ashlea Boxer, with a point between 2 & 3rd being Frith Hunt & Asha Ford. Top goal scorer for the season went to Ashlea Boxer who managed to convert several of the powerful hits that Asha Ford hit to the post & have a grand total of 12 goals for the season. Lauren Parkinson was a close second scoring 8 goals.

I'd like to say a personal thank you to each & every member of the Metro Squad this year, it's been a pleasure to work with you all & see you all grow into the great players that you are – the main goal at the start of the season was for us to all have FUN when playing & If the end of season catch up's were anything to go on – we were very successful & have achieved that goal! Well done everyone & I look forward to seeing you all in the 2020 season!

MASTERS TEAM REPORTS:

Masters 35+ A grade

This season the 35 A grade team finished in a respectable 3rd place & returned to the finals after missing out in 2018. We managed to win our first final against fourth place, Werribee & unfortunately was knocked out in the preliminary final against TEM's.

We felt that all year there was a clear gap between the top two teams, being Waverly & TEM's. We also felt that we were in the top 4 & pleased with our position at the end of the season.

Once again, the highlight of the year was often off the pitch enjoying each other's company post game having a beer & bar food produced by our new team Chef, Stuey Young. Stuey was a great pick up for the team in 2019 & was present at every home game to prepare food for all players & our opposition. This was a massive boost for us each week & encouraged teams to enjoy the club's facilities. Thank you to Stuey for doing this for us all & we loved having him part of the team !!

This year we would also like to acknowledge James Glover who sponsored the team & each week took care of the bar tab!! This was an amazing gesture that we can't thank James enough for.

Thank you & congratulations

- The team would like to thank Louy for leading us each week & enjoyed his leadership & experience. Louy finished the season as the highest goal scorer for the team as per the previous 2 or 3 years.
- Congratulations also to Dial who once again has taken out the best & fairest winning clearly in the players vote.
- Also, congratulations to Matt Trounce (Coach), & Manager Brenten Coulthard who won the national titles this year for the 4th consecutive year.
- I would also like to thank all the players that committed to the season. It was very pleasing

to manage this team & I enjoyed the experience.

Once again, I encourage all players that qualify for the 2020 master's competition to join our strong men's & women's teams & experience the enjoyment & friendships we continue to build on each season.

Lastly, as a team we would like to thank the club for the support of the master's competition. We are thankful for the hours & dedication the Committee, led once again by our own James Dunell, put into the club to make it so great! Up the Burra!!

Andrew Pain, DEWEY –Manager 2019

Women's Masters 35+BNW

2019 has been another very successful & enjoyable year for the Women's Masters – Yesterday's Heroes team.

The majority of the team has played together for a number of seasons. This year we farewelled Sandy while welcoming Ann & Laurie to the team, Burnsie back mid-year & Wendy after missing 2018 through injury.

Most weeks we managed to have 12 or 13 players available. As a result we had a very consistent season, finishing third on the ladder.

Finals results: Following wins in both the semi & preliminary final we met a red hot Werribee team in the Grand Final going down 3 – 0.

A very big thankyou to our fantastic manager Heather for her organisational & catering skills throughout the year! Also, thanks to our loyal supporters.

Something we all agreed on was that there were far more cold Wednesday nights this year than in the past or are we just getting old? We will be back in 2020.

Stotty

Men's Masters 50+:

Trying to put a competitive team on the field every week for a mid week masters comp is a juggling act. We had a list of 15 players & accomplished this feat with some assistance from Andrew Adams & Simon Dowsett. We lose lots of players throughout the season to work commitments, holidays & injuries (old man injuries - groin, calf, tennis elbow & hamstring awareness).

This year we split the workload with the paperwork covered by myself & the coaching completed by Shady. I think it was the most organised masters team that I have played in for some time.

A new over 60s competition started this year & subsequently, we lost 4 of our regular players. We managed to recruit two "younger" players which gave us solid goal scoring opportunities & the team only lost one match in the regular season to finish on top of a congested ladder. I still think that a lot of our success stems from a well organised defence which only gave away 11 goals for the regular season.

Unfortunately, we lost several key players for the finals & were beaten in the grand final by a very good Latrobe Uni team.

Highlights of the year

- Michael Shade's inciteful emails & coaching strategies throughout the season. Shady knew the calibre of player he was dealing with. Kept it nice & simple with big diagrams.
- Hendrik Six reluctantly stepping up to take the deciding one on one in the preliminary final. Ball bounces off the goalie's pads back to Hendrik who coolly lifts it over the prone goalie into the net.
- Playing off in our fourth grand final in a row. Lovely to have a crowd there to watch us as well.

I would like to thank all of our players who made it easy to manage by always advising if they were unable to play well in advance to allow us to organise replacements. Makes a manager's job very easy.

Players this year were Nick Atherden, Tony Batholomuesz, John Bedford, Peter Boylen, Craig Cartwright, Gil Doutre, Craig Huntley, Ian Le Poidevin, Ian Ludwick, Rick Macellari, Shane Martin, Dale Roazario, Michael Shade, Hendrik Six & Rob Thompson.

Once again, I would like to thank our fill ins who were always available being Andrew Adams and Simon Dowsett. Other thanks also go to our home umpires. It is a load off a manager's mind when you know there will always be reliable umpires at home

We will be back next season and will once again be on the lookout for new players to "boost" our stocks.

Ian Ludwick - Manager

JUNIOR TEAM REPORTS:

Mixed U18:

The Under 18's Mixed team had a positive & enjoyable year as a collective. We welcomed in a great bunch of players to our team, adding strong players all over the field. We experienced successes throughout the year, only losing 3-1 to Altona without a goalkeeper & our 10-0 demolition against Werribee.

However, I feel that the team could have truly competed for finals contention as I had full belief that we had the talent to feature for the flag. We ended up finishing 7th of 12 teams & only 2 games outside of finals. Individually, Matt Boylen finished as the 3rd top scorer in the league with 13 & shared the Best & Fairest honours with Chayla Reeves who was a proficient ball user & brick wall at full back. Campbell McKinnon was a saviour for our team, stepping in to be our teams goalkeeper a few rounds into the season, he did a terrific job after being out of the game for over a year & was an excellent addition to the team.

A massive thank you goes to Nick Atherden who volunteered himself to be the team manager this season. I cannot thank him enough for supporting me & the team during the season. Also, I sincerely thank Loreta Bartholomeusz & Matt Foster for stepping in as team manager on a few occasions as well as supporting me in getting a goalkeeper on the field & going above & beyond to take a player to hospital during a game.

Finally, Dean Kingi did a terrific job in assisting me on the sidelines as a coach. He provided me with valuable ideas & helped with coaching decisions, he is now a professional at carrying the first aid kit & training equipment. I thoroughly enjoyed my second season as U18 coach & with the positive numbers at trainings throughout the entire season & smiles on gameday, I believe the players had a great time as well.

Alex Pozzobon - Coach

Mixed 16 Shield:

The 2019 season for the U16 Shield was reasonably successful. The boys & girls had an exciting season, finishing fourth the ladder. It has been a very enjoyable year to coach this group, our progress from the first game of the year to the last game of the year was phenomenal.

Unfortunately, we lost in the first round of finals to TEMs but the boys & girls played well & didn't give up.

A big thank you to our team manager Leanne Reeves, who went above & beyond to support the team. We'd also like to thank Greg Reeves, who took on the role of team manager when Leanne was unable to attend games.

Congratulations to Ash Reeves & Jeff Kitson who won our best & fairest & to James Tyler who received the coach's award

Nick O'Connell

Mixed U14:

The year started with 14 very keen & attentive young players attending two training sessions each week. After our first game it became apparent that not only our skills, but our game play required attention. After our third game we were given the opportunity to be downgraded as we realised the girls were about to face a very tough season, & coaches, so the question went out to the girls for their thoughts & decision. After all, it was their season.

We didn't want to have 14 young girls demoralised & unenthusiastic toward the end of the season. & as a Club, it's also an important issue for the retention of girls playing hockey & we want all of them to return next year.

We, the coaches, were very pleased with the mature attitude of these young girls to stick out this season exactly where they were, so, thus became a new challenge for us coaches. We needed to change our focus on what the girls required to ensure their integrity, their focus & above all their enjoyment in playing hockey.

The girls embarked this season on improving their individual skills, understanding movement on the field & the true meaning of being a team. No score can take that away from the U14 girls.

Meagan & I have watched the development of our U14 girls each week. Every game we attend we state how much they have improved, their skills & their game. We are very proud of these young girls. They attend each game with new enthusiasm & play their hearts out right to the end of the final half.

It would be remiss not to give a special mention to our goalie, Michaela Bucknell, who despite the results, did a sensational job. Scores would have been much higher without her. Also need to mention that special night we had no masks, so Michaela had to face a defensive corner all on her own. 7 onto 1! Good on you Michaela, you're a star.

It was a great pleasure to be the coach of the U14 girls.

I would especially like to thank Meagan for helping me Coach & to Greg Pickford for assisting while either Meagan or myself was away. Thank you to Emma L & Jacqui for being our Team Leaders. Thank you to Glenn for being our Team Manager & to Karen for compiling our team stretches. A special thanks to all the parents for driving the girls to all the games.

U14B Shield B

The Greensborough Boys Under 14 team finished the season with 4 wins, 2 draws & 8 losses. The team was competitive in every game bar one & had 4 losses by 1 goal.

The squad of 16 players showed considerable improvement over the season. Several factors contributed to this – training 2 nights a week, emphasis on fitness & core strength & basic skill development.

A key performance indicator for the coaches was to ensure that the playing group were retained in the sport, enjoyed their time in a team environment & can encourage friends to come & play.

Both coaches are optimistic that these outcomes can be obtained. One of the challenges for the coaches was to juggle playing time amongst the squad.

Deakin Trounce led the team ably & was rewarded with best & fairest for the season. Mitch Henderson in goals was a tower of strength & has a massive future with the hockey club.

Josh Pain gave his absolute all every week & was a deserved winner of the coaches award. Lachlan Shinn-Mahony was the team's leading goal scorer.

A big thank you to Stuart Maxfield who took on team manager responsibilities & to all the parents for their commitment

Boys it was a pleasure to coach you & we hope you continue to play hockey at Greensborough

Girls U12 Shield:

Wow, what a season!

Stepping out for the start of the season there was a strange feeling of uncertainty. How would we fare this year? Should we stay in Shield or drop back to Pennant. The decision was made to stick it out in shield, we are so glad we did!

Every single girl on the team has progressed her hockey skills dramatically this year. The improvement in the quality of training over the year has been incredible.

Not only has the hockey standard been great, but also the attitude of the girls, the sense of team & the way they all get on has been amazing.

The girls unfortunately went down 1 nil in the semi-final, but can be exceptionally proud of the way they performed in 2019.

A big congratulations to Piper Pickford on her selection in the State team, & Ilse Dunell on making the train on squad!

A massive thank you to;

- Natalie Lander for all her help as team manager,
- All the parents for helping with lollies, oranges, canteen duties, & taxi services!
- Louy & Picko for helping out at training

The future of the women's side of the club is very bright with the amount of talent coming through this group of girls. They will form the nucleus of the Premier League team in 5 or 6 years if they keep working at it with the same vigour as they have this year.

U12 District East:

The 2019 half-field season will be one to remember for the many players who picked up a hockey stick for the first time! With 7 hockey debutantes, the season was full of newly formed friendships & development both on & off the pitch. A strong start to the season left us with a 6-0 win on a cold winter's morning at Yarra Valley Hockey Club. As the season progressed, we faced stronger opponents who put our defense to the test week in & week out. Following the Hook-in2-Hockey program at Greensborough Hockey Club, mid-season we welcomed first-time players Mason Mercuri & Lucas Mahon into the team. The 2019 season also allowed Remy Guzzo to step up as goalkeeper, playing an

outstanding first season as keeper, saving goals & showing no fear in defending the goals in one-on-one circumstances.

After the term 2 break, an increase in under 12 players lead us to add a second team into the half-field competition. Having too many players for one team, but being just short for two, meant having u10 & u12 players doubling up on games during cold Saturday mornings. Thankfully, we always managed to field two teams to ensure every player was able to have a game!

By the end of term 3 we had won 5 games between the two teams. Despite a tough season, the players demonstrated great character & determination. Supporting each other through losses & encouraging each other through wins, the team never dropped their heads in games. Win, lose or draw, it was a privilege to coach such an incredible group of young hockey players & I am so proud of them all.

To finish the season, we played a full field game with the u10's. With many of the under 12 players going on to play full field next season, it presented a great opportunity for development of knowledge of the game. The kids adapted to the change really well & showed a great understanding of positions in game play.

THANK YOU:

- To our team manager, Travis Soutter, who continued to support the half field team despite his son, Jake Soutter, progressing to the full field team.
- To all the players from the u12 boys & girls shield teams, as well as the boys & girls from the u10 teams who allowed us to continue to play with two teams each week
- Brenten Coulthard for overlooking the under 12 half field team. Without Brenten, it would have been impossible to manage two teams. Brenten was always able to find us players to fill the gaps in our teams.
- To all the parents who continually offered me support, feedback & encouragement during my first season as a coach. I couldn't have done it without you!

CONGRATULATIONS:

- Our 2019 hockey debutantes. You have all had an outstanding first season & congratulations to you all. I hope to see you all succeed in your hockey futures.
- To all of our goal scorers, many of whom scored their first ever goals: Ruan Louwrens (5), Logan Hawley (4), Lucas Mahon (3), Mason Mercuri (2), Nathan Lighter (1), Amelia Sherri (1), Martin Kovacevic (1), Aisling Murphy (1), Isabella Gafforini (1).
- To Ben Labura, who managed to find his way out onto the hockey pitch after sustaining a broken nose & even getting very close to scoring a goal on his return game.
- To Evelyn McLeod, who was able to join the u12 Girls full field team during their finals campaign.
- To the best & fairest winners, Ruan Louwrens & Amelia Sherri.

During the season Ruan displayed fantastic skills & was a critical element of our team's defense. A fantastic tackler & ball distributor, Ruan was a pleasure to coach.

This year was Amelia's first year of hockey. Amelia demonstrated a natural talent for the game, displaying some fantastic skills on both her fore stick & reverse & developed tremendously during the season. Her willingness to want to ball is something you cannot teach.

- To the coaches' award winners, Martin Kovacevic & Remy Guzzo.

Martin put 100% into everything he did, always listened, did what I asked, never complained & always had a willingness to learn. His fantastic outlook on hockey depicts a great potential for the game. He even had an opportunity to play in the full field team, & did a great job.

Remy played his first full season as goalkeeper this year, after having a go as a fill-in goalkeeper the year prior. Remy showed a natural talent in the game, making fantastic clearances & a great willingness to step up to his opposing attackers in one-on-one situations.

Mixed U12:

The 2019 season was the first season in which the U12 boys had all played together. Despite this, our season started off with an impressive 11-1 victory to Powerhouse, and, as the season progressed, we only grew more strongly as the boys learnt to play well together as a team.

Overall, the boys have had an awesome year, only conceding 3 games throughout the entirety of the season & finishing comfortably in 2nd position, ready for a good run at finals.

Individually, the boys were able to immensely improve their skills on the ball over the course of the season with some kids even learning to incorporate 3D skills into their game, which is very pleasing to see at such a young age.

In our team, we had the highest two goal scorers of the competition, with Callum Pickford finishing on top (17 goals), followed closely by Aidan Carmody (16 goals). I'd like to congratulate both these boys as Callum was selected to represent Victoria in the School Sport Australia Hockey Championships & Aidan also made it as a train on for the team.

A big thank you to our team manager, Brendon Carmody for helping me out every weekend by doing the rotations for the bench & keeping the boys in check. Also to the parents for bringing the boys down to training & games every week, in particular Tony Bartholomeusz & Naomi Pickford who helped out by standing in as coach in my absences.

Our success this season can be credited to the parents who helped me out & to all of the boys for their ability to work hard for each other & put in the effort required to finish where we did. I hope they've enjoyed themselves this year & I wish them all the best of luck in their future hockey endeavours.

Best & Fairest: Callum Pickford

Coaches Award: Darcy Chiodo

Girls U10:

This group of girls is the most energetic & sociable kids you will ever meet. Each player has enthusiasm & dedication to learning hockey skills & achieving own goals as well as team goals.

Most of the individuals in the group are nearing U12's & have been offered opportunities to play up on a few occasions, further extending their passion for the game. My teams target for this year was to keep all the girls, of all varying skill levels & abilities engaged & interested in hockey whilst learning some new skills & improving on some existing skills. Trainings covered a lot of individual skills reinforced by mini games in team scenarios.

Skills like pushing, trapping, slip trapping, slapping, jinking/flicking, dragging, deflecting & tackling. Positions on the field were discussed in loose terms to help prepare them for full field games. As well as terms like "16" free hits & long corners used to familiarise the girls with the terminology they will come across throughout the next few years.

Our overall performance in our comp was moderate having a nice mixture of wins & losses, teaching the girls resilience & good sportsmanship.

Congratulations to Johane Terblans our best & fairest recipient, & Artemis Banitskas & Reghanne Pain, our coaches award for this year.

Our 2019 U10's girls team, Lottie Dalton, Reghanne Pain, Jessie Vowles, Kirra Duff, Johane Terblans, Rose Jarvis, Sophie Jenkins, Artemis Banitskas, Valiette Yoxon, Imogen Bartel, Maliah Kinzett, Shanisa Rajarajan

Congratulations on an amazing & FUN season!

Boys U10:

For the U10 Boys playing in the District Half Field competition, 2019 was a fun & successful year. What defines success for U10? Purely & simply **improvement**. As individuals, the boys were looking to improve by developing their fundamental skills: dribbling, pushing, trapping & slapping. To keep things interesting, we also worked on back-stick pushing & trapping, goal shooting, jinking & even tomahawks.

As a team, we worked on getting in front and getting to the ball first, looking for and using the space, positional play and passing to our team-mates.

I have been impressed every single week at the enthusiasm, commitment & resolve of the boys. Hockey players of this age are sponges – they will absorb everything they are taught & will give everything a go.

The greatest compliment the team has received all year was after a 2-1 loss to Doncaster when numerous spectators from both clubs came up & said what a close & exciting game of hockey it was to watch.

The team has progressed from being a pack of players chasing after the ball, to having an organised structure, who can even switch the ball around the back.

Many of the boys are moving to Under 12 next year & I am confident that they have the fundamentals in place to quickly adapt to the full field game.

While winning & losing was only a secondary consideration, especially in a competition that was unevenly matched, it has been nice to have most results go our way due to our teamwork. Many of the players in this team have been together for several years, & in the past have suffered some heavy defeats. They have enjoyed being on the other side of that.

A big thank you to our team manager Kathleen Mclean, who made sure we were all in the right place at the right time for all our games, had oranges & snakes & submitted all our results. She also did a fantastic job of managing the interchanges, encouraging & advising the players & ensuring that every player got equal time on the pitch in a variety of positions.

To all the parents who braved every type of weather in a range of places at a variety of times, thank you for supporting your children & the team in a positive manner all year.

To the Junior Umpires from Greensborough who attended each week & not only officiated, but also advised the players on the rules & showed great patience as the younger players learned about the flow of the game.

To Michael Burgess, the U10 quarter-field coach who shared ideas & the warmups with me. It was great to have all the U10s together as one squad at the start of each session.

And finally, to the players thank you for coming to training every week, for listening & for trying your hardest. Thank you for trying new things & persisting, even when it was difficult. If you keep doing that & keep improving at the rate you did this year, then you will all be great players in the future.

CONGRATULATIONS

- To the entire team, who made choosing these awards so difficult
- To Austin Elliot/Mclean for winning the Best & Fairest, & to Will Sorenson who received the Coach's Award

Coach – Daniel Robertson

U10 ¼ Field Boys 5-Aside Kookaburras

The grassroots of our club is alive & well. The boys had a wonderful 2019 season.

Our main objective for the season was to have fun. We smashed this goal, & hopefully cemented many children on their life long journey of being players of a sport.

Over the 2 terms the boys have dramatically improved in their skill levels & got a good grasp of the basics to play hockey. Not forgetting the social bonds that are formed between team mates.

Every game was a win (learning how to play hockey) & we won a lot more than we lost. The boys sang the club chant after every game & showed respect for the umpire & opposition.

Best & Fairest: Felix Dunell

Felix supported his team mates when we scored a goal or had one scored against us. His temperament was infectious across the team & this allowed other children to feel confident even when goals were scored against us.

Most Improved: Ryker Coppola

This was a very hard choice to make as many of the boys have improved significantly over the season. Ryker deserves this award for steady improvement in his skills. What he learnt at practice he then used in the game.

Thank you to all the parents & congratulations to all the players who participated this year, Bray Clark, Daniel Lighter, Felix Dunell, Harrison Lloyd, Liam Ellesmere, Liam Patford, Mason Burgess, Ryker Coppola, Thomas Lambourn
