President Report:

2021 has been another disappointing year with the season being cancelled in July. However, with the fully vaccinated rate now at 90%, it appears there's light at the end of the tunnel & we may not have to deal with future lockdowns.

We started the season in pretty good shape after negotiating last year's financial hurdles brought about by COVID, but just as we were getting back to some form of normality, we had 2 short lockdowns before the season was cancelled again in July.

However, the Committee didn't stop when the season was cancelled & I'd like to them for the work they did getting us back on our feet from a playing & financial perspective.

Naomi & Brenten did a terrific job establishing new procedures for running the canteen & bar. I know from first-hand experience how time consuming it can be & it appears to be running much more smoothly now.

Colin not only ran with Hockey Operations but also managed our Communication & installation of the new Point of Sale (POS) system. The move to cashless transactions is helping to simplify stock management & removes the need to manage cash, organise floats & weekly banking.

James pro-active approach to grant applications raised around \$20,000 this year which will help fund some of the smaller projects we have underway & Jane did a great job keeping our Covid Safe plans consistent with Government requirements.

Some of the Committees achievements this year included:

- Installing Point of Sale (POS) system that is helping to simplify payments, stock management & banking
- Implementing online purchasing & delivery arrangement for the Canteen/Bar
- Appointing a Junior Development Coach
- · Adopting "Acknowledgement of Country" as a first step toward a Reconciliation Action Plan (RAP)
- Implementing financial guidelines to help with budget forecasting & reporting
- Negotiating new lease agreement with Nillumbik that:
 - o Increases term from 2 to 10 years
 - o Reduces rent by \$20,000 over the term of the agreement, &
 - Clearly defines ours & the Councils responsibilities

Fundraising & sponsorship has become fundamental to our budgeting process & allows us to improve the Hockey Centre without having to keep raising fees. I ask all members to support our sponsors wherever possible, as recognition of their support & I hope they all stay on board for 2022 & beyond.

I would also like to thank Tom Crowley, Nick O'Connell & Sarah Young for their contribution as Committee members over the last couple of years. It was unfortunate they resigned during the year, but in these uncertain times, it's understandable that family & work take priority & hopefully we will see them back on the Committee in years to come.

The last 2 years has taken a toll on sport in general & we experienced a 25% reduction in our membership numbers this year that also impacts the number of volunteers we have to run the club. This might be a surprise to some members, but I can assure you it is real & we must immediately focus on rebuilding our numbers & investing in player development if we want to maintain our position in Premier League.

I would also like to congratulate:

- Rachael Lynch who is now a dual Olympian & also the games record holder for a "Hockeyroos" goalkeeper. I'm sure she has more to play as we head toward the Commonwealth Games, &
- Tim Cross, who is a now a dual International after representing Ireland at the their recent Olympic Games & World Cup qualifiers

Hopefully, we will see both of them back at "The Burra" when they finish playing internationally.

As I said last year, not everyone has the time to serve on the club committee, but everyone needs to contribute in some way for the club to be successful. Not only do we need coaches & managers to help provide the programs we run but we also need members to attend working bees & social functions so we can keep the facility running & raise the funds we need to make improvements.

We need members with all sorts of skills to help spread the workload & I am happy for any members who might be able to help to give me a call.

I will be nominating again at the AGM & hope I have your support for another year.

Secretary Report:

Another season unfortunately impacted by the Covid-19 lockdowns, with a return to Zoom meetings to stay connected. We were fortunate to still be able to enjoy quite a few games and social events in the new clubrooms, starting with the biggest attendance at an AGM that any of the committee could recall. It was wonderful to see so many members come along and participate in the governance of the club.

We started the year with the following committee members voted in at the AGM, with a few new faces joining the returning 2020 committee, President Greg Purser, Vice-President Nick O'Connell, Secretary Jane O'Connell, Treasurer James Dunell, HOC Colin Riordan, Junior Coordinator Michael Burgess, Sponsorship Stuart Young & Tom Crowley, Canteen Naomi Pickford & Brenten Coulthard, Committee Members Sarah Young, Jarryd Purser

Unfortunately, Covid impacted on many families & businesses, resulting in Nick, Sarah & Tom resigning from the committee during the year. Nick & Sarah continue to support the social committee & Tom was instrumental in arranging the supporter wear this year. We would like to thank these members for their efforts over the past few years & hope to see you back one day.

The committee this year had many areas of focus, with setting up the new clubrooms, ongoing Covid-safe management as well as focussing on improving Governance & growth. We supported a successful Junior Country Carnival & reviewed the Club Purpose statement, as detailed in the constitution, to review & promote the type of club we hope to be in terms of culture & inclusion. We have included the Acknowledgement of Country in our meetings & our emails as part of our commitment to reconciliation & working with Nillumbik Council to support their efforts.

We aim to publish the dates of our meetings for members to attend & understand how we work as well as publishing the action outcomes regularly on our website, to improve transparency between the committee & the members.

A very big thank you to all our committee members for the work & commitment they demonstrated throughout the year. It's often difficult to balance work, family & other commitments & still find time to assist in keeping the club running. I would strongly encourage all our members to consider what role they could perhaps play in supporting the club & the committee, there are always small roles & having assistants to such roles as secretary, treasurer, junior coordinators & canteen mean that all the jobs can be divided up to make it easier for everyone.

See you all at the NDHL or in season 2022.

Jane O'Connell - Secretary

Clubrooms & Hockey Centre Improvements:

While handover took place on March 19, we are still in the process of getting ourselves organised due the 2021 season being cancelled again due to COVID.

As reported at the last AGM, a Senate Select Committee investigation was looking into the "alleged" sports rort prior to the last Federal Election, where some projects, like ours met the selection criteria but missed out on funding because the club is not in one of the "targeted" electorates. The report which was finally tabled in Parliament during the year was critical of the process & lack of transparency but fell short of recommending we receive the funding we were eligible for.

That said, we have continued to work with Council & I am pleased to announce the following projects will be completed before the start of the 2022 Season:

- Extension of the concrete terracing in front of the clubrooms to pitch 1, with a pathway to the carpark
- Construction of a Spectator Shelter across the concrete terracing to pitch 2

This is great news & we have now commenced discussion on the next couple of project we want to undertake:

- Upgrading to LED lighting on both grounds, &
- Construction of a carparking area between the western end of pitch 2 & the CFA training area.

Greg Purser – President & Clubrooms Redevelopment Committee

Northern District Hockey (NDHL):

The six season of #NDHL Summer Hockey was unfortunately impacted by the Coronavirus Pandemic. Resulting in a later start, reduce teams and fewer rounds. However, the playing group were resilient in their approach and we adapted to new normal. After all, it was essentially the first hockey we'd played for most of the 2020 year.

The players ages range from U/14 (top age) to over 50+ Masters both male and female.

The Competition for #NDHL6 included:

- Male & Females aged from U14 to Masters (50+)
- 8 teams consisting of 18 players per team,
- 144 x playing on a regular basis including 20 no longer playing the Winter season & 20 from other local clubs

Players & Gender x Season

A big thank you to the Team Managers for really making this work. At the outset we were still dealing with a level of ambiguity regarding the restart of community sport, none the less we made it work. We had some return managers &

few new ones for #NDHL7 – Leigh Jones, Simon Dowsett, Naomi (Cuz) Pickford, Michael Shade, Ian-Wendy Ludwick, Michael Coen, Siobhan Monk & Jono Doutre.

Continuing with our mantra of providing a safe, fun, "Covid Free" & slightly competitive summer hockey environment for club members & players from other local clubs. The opportunity to have players of various skill level, age & gender play in a competition that is both welcoming, supportive & enjoyable. This has again provided a great cultural experience for those involved.

A special thanks to Jane O'Connell, Nick O'Connell, Greg Purser, Colin Riordan, Sarah Young, Rod Kay (can't play without the umpires) for helping with all the administration, drafting feedback & unwavering support to bring this competition to fruition.

There has been great excitement around the setup of this competition & the level of support still continues to surprise us. Plans are already in place for #NDHL7.

Regards

Stuart Young - Summer Commissioner #NDHL

Hockey Operations Report:

Culture Comes Before Performance:

The last two years have been very difficult, mainly due to the covid-19 restrictions but the departure of many experienced players has also created a situation where most teams are relying on players with limited experience at the level.

We need a plan because we need to understand how we will build our teams, so they reach the performance standards of previous eras. Most importantly we need to recognise culture comes before performance.

The Burra Spirit

The Burra Spirit has always been a feature of the Greensborough Hockey Club. The need for everyone to contribute is always there but as we re-build following covid we will be relying on the club's culture. Helping others: volunteering in the canteen, junior coaching & managing a senior team are examples of how you can help. Playing hockey alone will not get us to where we want to be.

Our Major Goal:

Our major long-term goal is to remain in Premier League, both Men & Women. With the likely reduction in the number of teams remaining in the league it is going to become more difficult & in the short-term we may not succeed. However, to be successful in the long-term we must address the needs of everyone (all teams at all levels).

Player Led Leadership

What we need is player led leadership, players taking responsibility for driving the culture of the club. Players becoming accountable for contributing off the field as well as on the field. There are many opportunities, we just need you to step forward & many of the roles do not involve sitting on a committee. Some examples are:

- Junior coaching
- Skills coaching
- Volunteering in the canteen
- Umpiring
- Sitting on the Tech Bench

Season 2021:

Covid was never far away. The first interruption to the competition came between round 6 & 7 (May/Jun) with lockdown 4 & was followed by another in July with lockdown 5 & shortly thereafter with lockdown 6 from early August. A big thank you to all the players & coaches for their efforts this season. Doing all the preparation work for a full season but only getting to play half a season was a pain.

With no hockey competition in 2020 due to covid & the large number of departures at the end of the 2019 season, estimating the required number of teams was very difficult. Masters' players were difficult to coerce back to hockey, but we made it with a small number of walkovers given.

When we were on the pitch, all teams fought hard but for most, due to the relative inexperience of our players, the results often did not go our way & only a small number of teams were placed in the top 4 when the season was cancelled after only 10 rounds of competition (only 8 for juniors).

Future Priorities:

- Building hockey expertise through education, involving former players, & getting more parents involved
- A greater focus on player wellbeing
- Building strong pathways, creating opportunities for younger players to gain experience in senior teams at all levels
- Recruiting new players (Hookin2Hockey), returning former players & experienced players to build experience
 where needed
- Improved linkages between the lower & higher grades

Colin Riordan - Hockey Operations

Junior Report:

Overview:

It was good to see a strong return to sport by junior players in 2021. GHC fielded teams across all year levels. Other local winter sporting codes did not reflect the strong return rates that we experienced.

We instilled our core values and the club chant with all players from the beginning of the winter season.

- Respect (themselves, other players, coaches, officials...)
- Honesty (sportsmanship)
- Teamwork (no I in Team)

•

Teams fielded:

Section	Girls	Boys	Mixed	Total
Hookin2Hockey				
U12 Half Filed		2		2
U12 Full Field	1	1		2
U14	1	1		2
U16	1			1
U18			1	1
Total Teams	3	4	1	8

Junior Volunteers:

A big thank-you to Coaches, Managers, & Parents. 5 of the 8 teams were coached by Parents, & it was encouraging to see some of our Senior players coaching junior teams. Overall it was a tough year to engage & gain momentum in an ever changing landscape.

Development Coach:

The appointment of John Hooper as the development coach for juniors has been very well received by parents & coaches. I attribute the strong return of junior players 2021 to this investment made by the committee in our junior players. I foresee future strong growth with John in the role & this will create demand for more coaches & managers as our junior cohort increases.

Summer Hockey:

Junior Hockey at GHC is now year round. School terms 1 & 4 are Summer program, terms 2 & 3 Winter competition. To re-engage children & their parents in the term 4, we have adopted a flexible return to hockey this summer. With 3 sessions per week led by John Hooper

- Tuesday Night: Skill practice, 5:30 6:45 pm (30-40 players each week are attending)
- Thursday Night: 6-a-side ¼ field, 6-7 pm (24+ players per week)
- Saturday Morning: Hookin2Hockey, 9-10 am (35+ per week)

Future Priorities

Building hockey expertise through education, involving former players, & getting more parents involved. Strong focus on growing our coaching base.

- Recruiting new players (Hookin2Hockey) & Schools Roadshow in February 2022.
- Develop Junior Umpires & Officials to support our growing club.
